SUBMITTAL:

The intent of this request form is to maintain consistency and compliance with Bridgehaven's governing documents. As you know, all exterior structural and/or landscape modifications must be approved by the appropriate committee prior to commencement of work. Please take the time to include all the required information. Partially completed requests will be returned causing delays in processing.

Submit your original plans, (including any additional information describing the modification such as dimensions, materials to be used, color, locations on the property, distance to property lines and elevations of improvements relative to existing dwellings), plus two copies of your request. Brochures and drawings are welcome.
