RE: NEW RULE FOR WATER USAGE

Dear Riverview Ventura Homeowners:

The Board of Directors has adopted a new rule for water usage in the community. The new rule is:

“Due to current drought conditions and mandatory State of California water restrictions Riverview Ventura Homeowner Association is temporarily suspending washing of any vehicles and any kind of patio washing using Riverview Ventura HOA water.”

This new rule will be effective September 4, 2015.

Please retain a copy of these documents with the other permanent records of your unit at Riverview Ventura.

Yours truly,

RIVERVIEW VENTURA HOMEOWNERS ASSOCIATION
BOARD OF DIRECTORS
