

## COYOTE CAUTION

**THIS IS JUST A REMINDER TO BE AWARE THAT COYOTES ROAM THE AREA LOOKING FOR FOOD AND WATER, ESPECIALLY IN TIMES OF A DROUGHT**

**THERE HAS BEEN A RECENT SIGHTING OF 3 LARGE COYOTES IN THE HOA**

### **Suggestions should you encounter a Coyote on the premises**

- Don't turn your back and do not run.
- Make lots of noise, scream your head off and fight back.
- Throw rocks at the Coyote
- Don't leave pets or pet food out at any time.

### **TIPS TO BE SAFE**

- Feed pets indoors and do not leave food outside.
- Cats are easy prey, so if possible, keep them indoors at night.
- Secure trash cans so they are less likely to knock over and open.
- Keep your home free of rodents and pests.
- Remind children that although they look similar to dogs, they are dangerous and should not be approached.
- Coyotes have been known to attack small dogs, even while on a leash.
- Walk with someone whenever possible.
