Entry Doors

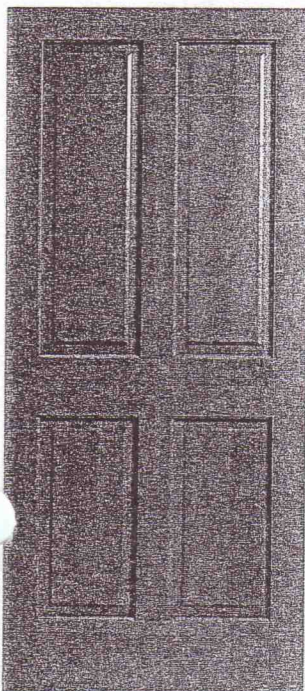

FM COBB

2001
Williams Pr
#400

278-1113

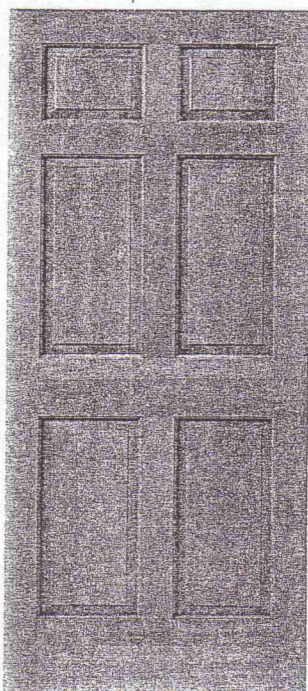

These popular entry doors celebrate the craftsmanship that has become expected of high quality decorative wood doors. Each door is made from only the finest vertical grain Fir or Hemlock available and is smoothly sanded to accept the best quality finishes. Entry doors with glass inserts and our traditional French Doors have been designed to reflect a current trend toward simplicity and openness. An excellent way to brighten an interior, these doors are available in a variety of patterns and options to compliment any design scheme.
