

The Greystone Collection Camarillo

REMINDER **Garage Sale**

Attention Greystone Residents we near to the Community Garage Sale. The Board of Directors has elected to hold the garage sale on Saturday April 6, 2019 between the hours of 8:00 A.M. to 12:00 P.M. at this time an ad will placed in the Ventura County Star along with the gates being programmed open during this time to allow interested buyers.

Pool & Spa

As we all welcome spring time we are happy to report that the pool will be heated beginning Friday, March 29, 2019, we know all residents will enjoy the pool and spa. It has been also brought to the Board's attention that the spa was recently vandalized as someone has put soap in the spa causing bubbles overflowing. This is not acceptable as it costs the association money to have the pool vendor service the pool at an additional expense. This is costing the association money from this vandalism. If any resident caught doing this, will result in being billed for the service call to address this matter and the party responsible will be liable for any damages to the association's pool and spa equipment, the Camarillo Police Department will also be contacted to prosecute to the full extent of the law.
