Also, Declarant is the owner of certain real property, more particularly described in Exhibit "B" attached hereto and incorporated herein by reference which Declarant intends be benefitted by this Declaration.

NOW, THEREFORE, Declarant declares that the Real Property and any additional real property that may be annexed thereto is, and shall be, held, conveyed, hypothecated, encumbered, leased, rented, used, and occupied subject to the following limitations, restrictions, easements, covenants, conditions, servitudes, liens, and charges, all of which are declared and agreed to be in furtherance of a plan of planned development as described in California Civil Code Sections 1350-1372 for the subdivision, improvement, protection, maintenance, and sale of each ownership interest within the Real Property and any additional real property that may be annexed thereto, all of which are declared and agreed to be for the purpose of enhancing, maintaining, and protecting the value and attractiveness of the Real Property and such additional property. All of the limitations, restrictions, easements, reservations, covenants, conditions, servitudes, liens, and charges shall run with the land, shall be binding on and inure to the benefit of all parties having or acquiring any right, title, or interest in the Real Property, and such additional property, are for the benefit of the Real Property, and such additional property, and shall be binding on and inure to the benefit of the successors in interest of such parties. ARTICLE II

MEMBERSHIP AND VOTING RIGHTS IN ASSOCIATION

Section 1. Qualifications and Voting. Every Owner, including Declarant, shall be a Member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any Subdivision Interest. Each Owner is obligated promptly, fully and faithfully to comply with and conform to this Declaration, the Articles and By-Laws and the rules and regulations adopted thereunder from time to time by the Board and officers of the Association. Membership in the Association shall not be transferred, pledged or alienated in any way, except upon the sale or encumbrance of the Subdivision Interest to which it is appurtenant, and then only to the purchaser, in the case of a sale, or Mortgagee, in the case of an encumbrance of such Subdivision Interest. Any attempt to make such a prohibited transfer is void. In the event any Owner shall fail or refuse to transfer the membership registered in his/her name to the purchaser of his/her Subdivision Interest, the Association shall have the right to record the transfer upon its books and thereupon the old membership outstanding in the name of the seller shall be null and void.

The Association shall have two classes of voting membership:

Class A. Class A Members shall be all Owners with the exception of Declarant, and shall be entitled to one (1) vote for each Subdivision Interest owned. When more than one person holds an interest in any Subdivision Interest, all such persons shall be Members. The vote for such Subdivision Interest shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Subdivision Interest.

Class B. Class B Member(s) shall be the Declarant, and shall be entitled to three (3) votes for each Subdivision Interest owned in any phase of the Project. The Class B membership shall cease and be converted to Class A membership on the happening of either of the following events, whichever occurs earlier:

- (a) On the second anniversary of the issuance of the Final Subdivision Public Report for the most recent phase of the Project; or
- (b) On the fourth anniversary of the issuance of the Final Subdivision Public Report for the first phase of the Project.

As long as two classes of voting memberships exist, any action by the Association that requires approval by the Owners shall require the approval by the designated percentage of voting power in each class, except the action described in Section 6 of Article XI of this Declaration. Voting rights shall vest either at the time assessments are levied against the Owner's Subdivision Interest or as provided in a subsidization plan approved by the California

Department of Real Estate. Voting for the members of the Board shall be by secret written ballot, and the Members shall be entitled to exercise cumulative voting rights as provided in the By-laws.

Section 2. Joint Owner Disputes. The vote for each such Subdivision Interest must be cast as a unit, and fractional votes shall not be allowed. In the event that joint Owners are unable to agree among themselves as to how their vote or votes shall be cast, they shall lose their right to vote on the matter in question. If one (1) Owner casts a vote representing a certain Subdivision Interest, it will thereafter be conclusively presumed for all purposes that he/she or they were acting with the authority and consent of all other Owners of the same Subdivision Interest. If more than one (1) Owner casts the vote representing a certain Subdivision Interest in any matter in which only one (1) vote could be cast for that Subdivision Interest, the votes cast by such Owners shall not be counted and shall be considered void.

ARTICLE III

ASSESSMENTS

Section 1. Covenant to Pay Assessments. The Declarant, for each Subdivision Interest owned by it within the Project that is expressly made subject to the assessments set forth in this Declaration, hereby covenants and each Owner of any Subdivision Interest by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agrees to pay to the Association: regular and special assessments levied in accordance with the provisions of this Declaration, and to allow the Association to enforce any assessment lien established in accordance with the provisions of this Declaration by nonjudicial proceedings under a power of sale or by any other means authorized by law. Each such assessment, plus interest, costs, including attorneys' fees and penalties shall be the personal obligation of the person or persons who were the Owner(s) of such Subdivision Interest at the time when the assessment fell due. If there is more than one Owner of a particular Subdivision Interest, each of such Owners shall be jointly and severally liable for such assessment. Each Owner shall be responsible for (i) notifying the Association of any pending change or transfer of title to his Subdivision Interest and (ii) paying any and all due and unpaid assessments including interest, costs, penalties and attorneys' fees related thereto, if any, levied against his Subdivision Interest prior to and/or concurrent with any such transference of title. The personal obligation for delinquent assessments shall not pass to an Owner's successors in title unless expressly assumed by them. No Owner of a Subdivision Interest may exempt himself/herself from liability for his/her contribution toward the Common Expenses by waiver of the use or enjoyment of any of the Common Area or by abandonment of his/her Subdivision Interest. Each Owner, to the extent permitted by law, waives the protections of any declared homestead or homestead exemption under the laws of the State of California as applied to any action to enforce the assessments levied by the Association. The Association shall provide notice by first-class mail to the Owners of any increase in the regular or special assessments of the Association, not less than thirty (30) nor more than sixty (60) days prior to the increased assessment becoming due. The Declarant shall have the right, but not the obligation, to pay all or any portion of Owners' assessments as a marketing incentive, pursuant to agreements between Declarant and such Owners. Declarant shall also have the right to enter into subsidization agreements with the Association.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to protect, enhance and maintain the recreation, health, safety and welfare of the residents in the Project and for the improvement, maintenance, replacement, repair and

operation of the Common Area and the improvements and personal property in the Common Area that are owned or maintained by the Association, as set forth in this Declaration, and to further any other purpose that is for the common benefit of the Owners in their use and enjoyment of the Project.

Section 3. Regular Assessments/Reserve Funds. Until January 1 of the year immediately following conveyance of the first Subdivision Interest to an Owner, the maximum annual regular assessment shall be \$732.00 per Subdivision Interest. Not more than ninety (90) days nor less than sixty (60) days before the beginning of each fiscal year of the Association, the Board shall meet for the purpose of establishing the regular annual assessment for the forthcoming fiscal year. At such meeting the Board shall review the preliminary pro forma operating budget prepared in accordance with the provisions of Section 23 of Article IV hereof, any written comments received from Members and Mortgagees, and such other related information that has been made available to the Board. After making any adjustments that the Board considers appropriate, the Board, subject to the restrictions described in this provision and without the requirement for a vote of the Owners, shall establish the regular assessment for the forthcoming fiscal year.

Each annual regular assessment shall include a portion for reserves in such amount as the Board in its discretion considers appropriate to meet the cost of the future repair, replacement, or additions to the major components of the Common Area improvements ("Major Components") that the Association is obligated to maintain and repair. Reserve funds shall be deposited in a separate account and the signatures of at least two persons who shall either be Members of the Board, or one officer who is not a Member of the Board and a Member of the Board, shall be required to withdraw money from the reserve account. Except as provided below, no money shall be transferred from a reserve fund to the Association's general operating fund and reserve funds may not be expended for any purpose other than the repair, restoration, replacement, or maintenance of, or litigation involving the repair, restoration, replacement, or maintenance of, Major Components that the Association is obligated to maintain.

Notwithstanding the foregoing, the Board may authorize the temporary transfer of money from a reserve fund to the Association's general operating fund to meet short term cash flow requirements or other expenses, provided the Board has made a written finding, recorded in the Board's minutes, explaining the reasons that the transfer is needed, and describing when and how the money will be repaid to the reserve fund. The transferred funds shall be restored to the reserve fund within one (1) year of the date of the initial transfer, except that the Board may, on the making of a finding supported by documentation that a temporary delay is in the best interest of the Project, temporarily delay the restoration. The Board shall exercise prudent fiscal management in delaying restoration of these funds and in restoring the expended funds to the reserve account, and shall, if necessary, levy a special assessment to recover the full amount of the expended funds within the time limits required by California Civil Code §1365.5 (as such section may be hereafter amended, supplemented or superseded). This special assessment is subject to the limitation imposed by California Civil Code §1366 and the restrictions imposed hereinbelow. The Board may, at its discretion, extend the date the payment on the special assessment is due. Any extension shall not prevent the Board from pursuing any legal remedy to enforce the collection of an unpaid special assessment.

When the decision is made to use reserve funds or to temporarily transfer money from the reserve fund to pay for litigation, the Association shall notify the Members of the Association of that decision in the next available mailing to all Members pursuant to Section

5016 of the Corporations Code, and of the availability of an accounting of those expenses. Unless the Governing Documents impose more stringent standards, the Association shall make an accounting of expenses related to the litigation on at least a quarterly basis. The accounting shall be made available for inspection by Members of the Association at the Association's office.

At least once every three years, the Board shall cause a study of the reserve account requirements to be conducted if the current replacement value of the Major Components that the Association is obligated to repair, replace, restore, or maintain is equal to or greater than one-half of the gross budget of the Association for any fiscal year. The Board shall review this study annually and shall consider and implement necessary adjustments to the Board's analysis of the reserve account requirements as a result of that review.

The study shall, at a minimum, include:

- (i) identification of the Major Components that the Association is obligated to repair, replace, restore, or maintain that, as of the date of the study, have a remaining useful life of less than 30 years;
- (ii) identification of the probable remaining useful life of the Major Components identified in subparagraph (i) as of the date of the study;
- (iii) an estimate of the cost of repair, replacement, restoration, or maintenance of the Major Components identified in subparagraph (i) during and at the end of their useful life; and
- (iv) an estimate of the total annual contribution necessary to defray the cost to repair, replace, restore, or maintain Major Components identified in subparagraph (i) during and at the end of their useful lives after subtracting total reserve funds as of the date of the study.

As used herein, "reserve accounts" means money that the Board has identified for use to defray the future repair or replacement of, or additions to, those Major Components that the Association is obligated to maintain; and "reserve account requirements" means the estimated funds that the Board has determined are required to be available at a specified time to repair, replace, or restore those Major Components that the Association is obligated to maintain.

Unless the Association is exempt from federal or state income taxes, including without limitation an exemption under Internal Revenue Code Section 528 and Revenue and Taxation Code Section 23701t, all reserve funds to the extent possible, shall be designated and accounted for as capital contributions to the Association, and the Board shall take such steps as may be reasonably necessary under federal and state tax laws to prevent the reserve funds from being taxed as income of the Association, including, if necessary, maintaining the reserve funds in segregated accounts and not commingling the fund with general operating funds.

Annual increases in regular assessments for any fiscal year shall not be imposed unless the Board has complied with subdivision (a) of Civil Code Section 1365 (as such section may be hereafter amended, supplemented or superseded) with respect to that fiscal year, or has obtained the approval of Owners, constituting a quorum, casting a majority of the votes at a meeting or election of the Association conducted in accordance with Chapter 5 (commencing with Section 7510) of Part 3 of Division 2 of Title 1 of the Corporations Code and Section 7613 of the Corporations Code (as such sections may be hereafter amended, supplemented or

superseded). Notwithstanding any other provision in this Declaration to the contrary, the Board may not impose a regular assessment that is more than twenty percent (20%) greater than the regular assessment for the Association's preceding fiscal year or impose special assessments which in the aggregate exceed five percent (5%) of the budgeted gross expenses of the Association for that fiscal year without the approval of a majority of the votes at a meeting of the Members of the Association at which a quorum is present conducted in accordance with Chapter 5 (commencing with Section 7510) of Part 3 of Division 2 of Title 1 of the Corporations Code and Section 7613 of the Corporations Code (as such sections may be hereafter amended, supplemented or superseded). For the purposes of this section, quorum means a majority of the voting power of the membership of the Association.

This Section does not limit assessment increases necessary for emergency situation. For purposes of this Section, an emergency situation is any one of the following:

- (a) An extraordinary expense required by an order of a court.
- (b) An extraordinary expense necessary to repair or maintain the Project or any part of it for which the Association is responsible where a threat to personal safety on the property is discovered.
- (c) An extraordinary expense necessary to repair or maintain the Project or any part of it for which the Association is responsible that could not have been reasonably foreseen by the Board in preparing and distributing the proforma operating budget under Civil Code Section 1365. However, prior to the imposition or collection of an assessment under this Subparagraph, the Board shall pass a resolution containing written findings as to the necessity of the extraordinary expense involved and why the expense was not or could not have been reasonably foreseen in the budgeting process and the resolution shall be distributed to the Members with the notice of assessment.

Unless the Board is required by law to give greater notice, at least ten (10) days prior to the commencement of any regular or special assessment, the Board shall give each Owner written notice of the amount of assessment, and the due date (or due dates if paid in installments, and the amount of each installment). The notice need only be given once for any assessment paid in installments. Unless the Board specifies otherwise, the installment due dates shall be the first day of each month.

Regular and special assessments levied pursuant to the governing documents are delinquent fifteen (15) days after they become due. If an assessment is delinquent the Association may recover all of the following:

- (a) Reasonable costs incurred in collecting the delinquent assessment, including reasonable attorney's fees.
- (b) A late charge not exceeding ten percent (10%) of the delinquent assessment or ten dollars (\$10), whichever is greater.
- (c) Interest on all sums imposed in accordance with this section, including the delinquent assessment, reasonable costs of collection, and late charges, at an

annual percentage rate not to exceed twelve percent (12%), commencing thirty (30) days after the assessment becomes due.

Section 4. Special Assessments. Subject to the restrictions described in Section 3 of this Article, the Board may levy a special assessment if the Board, in its discretion, determines that the Association's available funds are or will become inadequate to meet the estimated expenses of the Association, including the maintenance of appropriate reserves, for a particular fiscal year for any reason, including, but not limited to, unanticipated delinquencies, costs of construction, unexpected repairs or replacements of capital improvements or otherwise. The Board shall determine the amount necessary to meet the estimated expenses, and if the amount is approved by a majority vote of the Board, it shall become a special assessment. The Board, in its discretion, may levy the entire assessment immediately or levy it in installments over a period it considers appropriate. The Association may also levy a special assessment against any Member to reimburse the Association for costs incurred in bringing a Member and his Subdivision Interest into compliance with the provisions of this Declaration, the Articles, the By-Laws, and the Association's rules and regulations, and any amendments thereto, which special assessment may be levied upon the vote of the Board after notice and an opportunity for a hearing which satisfy the requirements of Section 7341 of the California Corporations Code (as such section may be hereafter amended, supplemented or superseded), as set forth in ARTICLE VIII, Section 5 of the By-Laws; provided, however, this special assessment may not become a lien against the Member's Subdivision Interest that is enforceable by a power of sale under Civil Code Sections 2924, 2924b and 2924c (as such sections may be hereafter amended, supplemented or superseded). This restriction on enforcement is not applicable to late payment penalties for delinquent assessments or charges imposed to reimburse the Association for loss of interest or for collection costs, including reasonable attorneys' fees, for delinquent assessments. Unless the Association is exempt from federal or state income taxes, including without limitation an exemption under Internal Revenue Code Section 23701t, the Board shall take such steps as may be reasonably necessary to prevent the special assessment from being included in the Association's income for federal and state income tax purposes, including, if necessary, depositing the funds in a segregated account, not commingling the funds with any other funds of the Association, and using the funds solely for the purpose for which they were levied.

Section 5. Uniform Rate. Both regular assessments and special assessments, including but not limited to special assessments to raise funds for the rebuilding or major repair of the Common Area, shall be fixed at a uniform rate for all Subdivision Interests. Such assessments may be collected on a monthly basis or otherwise as determined by the Board.

Section 6. Commencement of Assessments. The regular assessments provided for herein shall commence as to all Subdivision Interests in a particular phase covered by this Declaration on the first day of the month following the conveyance of the first Subdivision Interest to an Owner in that phase. The Board shall determine and fix the amount of the annual regular assessment against each Subdivision Interest at least thirty (30) days in advance of each annual assessment. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Subdivision Interest have been paid. A properly executed certificate of the Association as to the status of assessments on a Subdivision Interest is binding upon the Association as of the date of its issuance.

Section 7. Subordinate to First Mortgage. The lien of the assessments provided for herein shall be subordinate to the lien of any first Mortgage upon any Subdivision Interest. Sale or transfer of any Subdivision Interest shall not affect the assessment lien. However, the sale or transfer of any Subdivision Interest as the result of the exercise of a power of sale or a judicial foreclosure involving a default under the first Mortgage shall extinguish the lien of such assessments as to payments which become due prior to such sale or transfer. No sale or transfer shall relieve such Subdivision Interest from lien rights for any assessments thereafter becoming due. Where the Mortgagee of a first Mortgage of record or other purchaser of a Subdivision Interest obtains title to the same as a result of foreclosure, such acquirer of title, his successors and assigns, shall not be liable for the share of the common expenses or assessments by the Association chargeable to such Subdivision Interest which became due prior to the acquisition of title to such Subdivision Interest by such acquirer. Such unpaid share of common expenses or assessments shall be deemed to be common expenses collectible from all of the Subdivision Interests including such Subdivision Interest by such acquirer. Such unpaid share of common expenses or assessments shall be deemed to be common expenses collectible from all of the Subdivision Interests including such acquirer, his successors and assigns.

Section 8. Assessment for Taxes. In the event that any taxes are assessed against the Common Area or the personal property of the Association, rather than against the individual Subdivision Interest, said taxes shall be added to the annual regular assessment and, if necessary, a special assessment may be levied against the Subdivision Interest in the amount equal to said taxes, to be paid in two (2) installments. Assessments levied under this Section shall not be subject to the provisions of Section 3 of Article III of this Declaration.

Section 9. Enforcement Powers. The Association has the right to collect and enforce assessments. In addition to the other enforcement powers described in this Declaration and subject to the restriction on the enforcement of monetary penalties described herein, the Association may enforce delinquent assessments, including delinquent installments, by suing the Owner directly on the debt established by the assessment, or by establishing a lien against the Owner's Subdivision Interest as provided in Section 10 and foreclosing the lien through either judicial proceedings or nonjudicial proceedings under a power of sale as provided in Section 11. The Association may commence and maintain a lawsuit directly on the debt without waiving its right to establish a lien against the Owner's Subdivision Interest for the delinquent assessment. In any action instituted by the Association to collect delinquent assessments, accompanying late charges, or interest, the prevailing party shall be entitled to recover costs and reasonable attorneys' fees.

Section 10. Lien Against Subdivision Interest. A delinquent assessment or installment, together with any accompanying late charges, interest, costs (including reasonable attorneys' fees), and penalties as may be authorized under this Declaration shall become a lien on the Subdivision Interest against which the assessment was levied on the Recordation of a notice of delinquent assessment in the Office of the County Recorder of the County. The notice shall describe the amount of the delinquent assessment or installment, the related charges authorized by this Declaration, a description of the Subdivision Interest, the name of the Owner, and if the lien is to be enforced by power of sale under nonjudicial foreclosure proceedings, the name and address of the trustee authorized by the Association to enforce the lien by sale. The notice shall be signed by any officer of the Association, or any employee or agent of the Association authorized to do so by the Board. Unless the Board considers the immediate recording of the notice to be in the best interests of the Association, the notice shall

not be recorded until fifteen (15) calendar days after the Association has delivered a written notice of default and demand for payment. If the delinquent assessment or installment and related charges are paid or otherwise satisfied, the Association shall record a notice of satisfaction and release of lien.

Section 11. Foreclosure of Assessment Lien. The Board may enforce any assessment lien established under this Article, by filing an action for judicial foreclosure or, if the notice of delinquent assessment contained the name and address of the trustee authorized by the Association to enforce the lien by nonjudicial foreclosure, by recording a notice of default in the form described in Civil Code §2924c(b)(1) (as such section may be hereafter amended, supplemented or superseded) to commence a nonjudicial foreclosure. Any nonjudicial foreclosure shall be conducted in accordance with the requirements of Civil Code §§2924, 2924b, 2924c, 2924f, 2924g, 2924h and 2924j (as such sections may be hereafter amended, supplemented or superseded) that apply to nonjudicial foreclosures of mortgages or deeds of trust. The sale shall be conducted by the trustee named in the notice of delinquent assessment or by a trustee substituted in accordance with the provisions of Civil Code §2934a (as such section may be hereafter amended, supplemented or superseded). The Association may bid on the Subdivision Interest at the sale, and may hold, lease, mortgage, and convey the acquired Subdivision Interest. If the default is cured before the sale, or before completing a judicial foreclosure, including payment of all costs and expenses incurred by the Association, the Association shall record a notice of satisfaction and release of lien, and, on receipt of a written request by the Owner, a notice of rescission of the declaration of default and demand for sale.

Section 12. Contribution of Start-up Funds By Declarant/Reimbursement By First Owners. Prior to the date of the conveyance of the first Subdivision Interest in a particular phase of the Project, Declarant shall deposit into an escrow for each and every Subdivision Interest not yet sold in that phase, start-up funds for the Association in an amount equal to one-sixth (1/6) of the amount of the estimated annual regular assessment per Subdivision Interest for that phase. Escrow shall remit these funds to the Association. Each purchaser of a Subdivision Interest from Declarant shall deposit into the purchase and sale (or exchange) escrow for such Subdivision Interest an amount equal to one-sixth (1/6) the amount of the estimated annual regular assessment per Subdivision Interest for that phase. Upon the close of the purchase and sale (or exchange) escrow of any Subdivision Interest for which the start-up funds were prepaid by Declarant, escrow shall remit to the Declarant the start-up funds deposited by the buyer. Said start-up fund payments shall be limited to the first sales of Subdivision Interests by Declarant and shall not apply to any resale of a Subdivision Interest.

Section 13. Assessment Certificate. A certificate executed under penalty of perjury by any two (2) members of the Board and acknowledged shall be conclusive upon the Association and the Owners in favor of any and all persons who rely thereon in good faith as to the matters therein contained, and any Owner (including Declarant) shall be entitled to such a certificate setting forth the amount of any due and unpaid assessments with respect to his Subdivision Interest (or the fact that all assessments due are paid if such is the case) within ten (10) days after demand therefor and upon payment of a reasonable fee, not to exceed Ten Dollars (\$10.00), which may be fixed by the Board.

Section 14. Declarant's Limited Exemption From Assessment. Notwithstanding the provisions of this Article, any Subdivision Interest having no structural improvements for human occupancy shall be exempt from the payment of that portion of any assessment that is for the purpose of defraying expenses and reserves directly attributable to the existence and

use of the structural improvement. The exemption includes, but is not limited to: roof replacement, exterior maintenance, walkway and carport lighting, refuse disposal, cable television, and domestic water supplied to residential structures.

The foregoing exemption shall be in effect until the earliest of the following events:

- (a) Recordation of a notice of completion of the structural improvements;
- (b) Occupation or use of the Subdivision Interest; or
- (c) Completion of all elements of the residential structures that the Association is obligated to maintain.

The Declarant and any other Owner of a Subdivision Interest are exempt from the payment of that portion of any assessment that is for the purpose of defraying expenses and reserves directly attributable to the existence and use of a common facility that is not complete at the time assessments commence. This exemption from the payment of assessments shall be in effect until the earliest of the following events:

- (a) A notice of completion of the common facility has been recorded; or
- (b) The common facility has been placed into use.

ARTICLE IV

POWERS AND DUTIES OF ASSOCIATION

The Association shall have all the powers of a nonprofit mutual benefit corporation organized under the General Nonprofit Mutual Benefit Corporation Law of California, subject only to such limitations on the exercise of its powers as are set forth in the Articles, the By-Laws, and this Declaration. It shall have the power to do any lawful thing that may be authorized, required, or permitted to be done by the Association under this Declaration, the Articles, and the By-Laws, and to do and perform any act that may be necessary or proper for or incidental to, the exercise of any of the express powers of the Association, including, without limitation, the acts enumerated below. Subject to other provisions of this Declaration and to the limitations of the Articles and the By-Laws and the California Corporation Code as to action to be authorized or approved by the Members, all corporate powers shall be exercised by or under the authority of, and the business and affairs of the Association shall be controlled by, the Board. Without prejudice to such general powers but subject to the same limitations, it is hereby expressly declared that the Association shall have the following powers and duties:

Section 1. Elect Officers. To select and remove all the officers, agents and employees of the Association, prescribe such powers and duties for them as may not be inconsistent with law, the Articles, the By-Laws or this Declaration, and, subject to the provisions of the By-Laws, to fix their compensation.

Section 2. Management and Control. To conduct, manage and control the affairs and business of the Association, and to make such rules and regulations therefor not inconsistent with law, the Articles, the By-Laws or this Declaration as they deem best,

including rules and regulations for the operation of the Common Area and other facilities and property owned or controlled by the Association. Except as provided below, the Association shall at all times employ a Professional Manager to manage and conduct the business of the Association, subject to the provisions of Section 11 hereof. Professional management shall be required until the Association elects to self manage in accordance with the provisions of Section 2(b) of Article VII hereof.

Section 3. Principal Office. To change the principal office for the transaction of the business of the Association from one location to another within the County and to designate a place within the Project or as close thereto as possible within the County for the holding of any membership meeting or meetings.

Section 4. Incur Indebtedness. To borrow money and incur indebtedness for the purposes of the Association, and to cause to be executed and delivered therefor, in the corporate name, promissory notes, bonds, debentures, deeds of trust, mortgages, pledges, hypothecation or other evidences of debt and securities therefor, with the vote or written assent of two-thirds (2/3) of the voting power of each class of Members of the Association.

Section 5. Obtaining Insurance. To obtain and maintain in force the following policies of insurance:

- (a) Bodily injury liability insurance, with limits of not less than \$200,000 per person and \$1,000,000 per occurrence, and property damage liability insurance with a deductible of not more than \$1,500 and a limit of not less than \$500,000 per accident, insuring against liability for bodily injury, death and property damage arising from the activities of the Association or with respect to property under its jurisdiction.
- (b) Fidelity insurance in the form of a bond in an amount equal to one hundred and fifty percent (150%) of the Association's annual assessments including reserves which names the Association as obligee and protects against misuse and misappropriation of Association property by members of the Board, officers, trustees and employees of the Association, and any management agent and its officers, agents and employees whether or not such persons are compensated for their services.
- (c) Workers' Compensation Insurance covering any employee of the Association.
- (d) Casualty insurance covering fire and extended coverage insurance and any other perils that the Association shall deem advisable for the full insurable value of all of the Improvements within the Common Area. "Full insurable value" means the actual replacement value, exclusive of the cost of excavating, foundations and footings. The form, content and term of the policy and its endorsements and the issuing company must be satisfactory to all institutional first Mortgagees. If more than one institutional first Mortgagee has a loan of record against a lot in the Project, the policy and endorsements shall meet the maximum standards of the various institutional first mortgagees represented in the Project. To the extent available, the policy shall contain an agreed amount endorsement or its equivalent; an increased cost of construction endorsement or a contingent liability from operation of building laws endorsement or their equivalent; an

extended coverage endorsement; vandalism, malicious mischief coverage; a special form endorsement; and a determinable cash adjustment clause or a similar clause to permit cash settlement covering full value of the improvements in case of partial destruction and a decision not to rebuild. The policy shall provide amounts of coverage as shall be determined by the Board. The policy shall name as insured the Association, the Owners and Declarant, as long as Declarant is the owner of any lot, and all mortgagees as their respective may appear, and may contain a loss payable endorsement in favor of the Insurance Trustee.

- (e) Such additional or different insurance coverage, including but not limited to errors and omissions coverage for Officers' and Directors' indemnity, and other bonds, as the Board shall deem necessary or expedient to carry out the Association functions as set forth in this Declaration, the Articles and the By-Laws or as may be required by law or by governmental agencies, or by the Federal National Mortgage Association or similar organizations.

The Association is authorized to negotiate and agree on the value and extent of any loss under any policy carried pursuant to subparagraph (d) above. The Association is granted full right and authority to compromise and settle any claim or enforce any claim by legal action or otherwise and to execute releases in favor of any insurer.

The liability insurance referred to above shall name as separately protected insureds, Declarant, the Association, the Board, and their representatives, members and employees, and the Association Members (as a class), with respect to any liability arising out of the maintenance or use of any Common Areas or other recreational facilities under the jurisdiction of the Association. Such policy or policies shall protect each of the insureds as if each were separately insured under separate policies; provided, however, that such policies shall not require the insurers to pay any amount in excess of the maximum limits stated therein.

Every policy of insurance obtained by the Association, whether or not required to be obtained pursuant to the provisions of this Declaration, shall expressly waive any and all rights of subrogation against Declarant, its representatives and employees, and all Members.

The insurance premium on the policies provided by the Association shall be a common expense to be included in the monthly assessments levied by the Association, and the portion of such payments necessary for the insurance premiums shall be held in a separate account of the Association and shall be used solely for the payment of the premiums on the insurance policies as such premiums become due.

Section 6. Notice of Cancellation of Insurance or Fidelity Bond. Upon written request to the Association identifying (i) the name and address of the holder, insurer or governmental guarantor of any first Mortgage encumbering any Subdivision Interest and (ii) the number or address of such Subdivision Interest, to notify the same in writing at least ten (10) days prior to any lapse, cancellation or material modification of any insurance policy or fidelity bond maintained by the Association.

Section 7. Utilities. To pay all charges for water, electricity, gas, and other utility services for the Common Area.

Section 8. Common Area. To manage, operate, maintain and repair the Common Area and all improvements located thereon, including the restoration and replacement of any or all of the buildings, structures or improvements which are part of the Common Area at any time and from time to time as the Board may determine desirable or necessary; and to make capital expenditures for and on behalf of the Association with the vote or written assent of a majority of the voting power of each class of Members of the Association. The Association shall have the right to enter upon any Subdivision Interest in connection with construction, maintenance or emergency repair of the Common Area.

Section 9. Enforcement and Litigation, Arbitration, Mediation and Administrative Proceedings. To enforce the provisions of the Declaration, the Articles and By-Laws of the Association, the rules and regulations adopted by the Board and the provisions of any agreement to which the Association is a party. Subject to compliance with Section 1354 of the Civil Code, the Association is authorized to institute, defend, settle or intervene on behalf of the Association in litigation, arbitration, mediation, or administrative proceedings solely in matters pertaining to (a) enforcement of the Governing Documents, (b) damage to the Common Areas, (c) damage to the Subdivision Interests, if any, which the Association is obligated to maintain or repair, or (d) damage to the Subdivision Interests which arises out of, or is integrally related to, damage to the Common Areas or Subdivision Interests, if any, that the Association is obligated to maintain or repair.

Section 10. Services and Supplies. To contract and pay for maintenance, gardening, utilities, materials, supplies and services relating to the Common Area, and to employ personnel necessary for the operation and maintenance of the same, including legal and accounting services.

Section 11. Employment of Professional Manager and Agents. To employ the services of a Professional Manager, and other employees, to manage and conduct the business of the Association, and to the extent not inconsistent with the laws of the State and upon such conditions as are otherwise deemed advisable by the Association, to delegate to the Professional Manager any of its powers; provided that any agreement for management or person hired as Professional Manager shall not exceed one (1) year, renewable by agreement of the parties for successive one (1) year periods and shall be terminable by the Association upon thirty (30) days written notice.

Section 12. Maintenance Contract. To enter into a maintenance service contract with any person, corporation or other entity for the maintenance of the Common Area, including materials and/or services for the Common Area or the Association, provided that any such contract shall be for a period of one (1) year, renewable by agreement of the parties for successive one (1) year periods and any such contract shall be terminable by the Association upon thirty (30) days written notice.

Section 13. Taxes. To pay any taxes and governmental special assessments which are or could become a lien on the Common Area or any portion thereof.

Section 14. Discipline. To initiate and execute disciplinary proceedings against Members of the Association for violations of the provisions of the Articles and By-Laws, this Declaration and the rules and regulations adopted by the Board, subject to the requirements of Corporations Code Section 7341 (as such section may be hereafter amended, supplemented or superseded).

Section 15. Notice of Default. Upon the written request of any holder, insurer or governmental guarantor of a first Mortgage encumbering any Subdivision Interest, to notify the same in writing of any default by the Owner of such Subdivision Interest in the performance of the Owner's obligations under the By-Laws or this Declaration which is not cured within thirty (30) days.

Section 16. Notice of Taking. The Association shall give, if required by the Federal Home Loan Mortgage Corporation or Federal National Mortgage Association, notice in writing at the addresses to be supplied to the Association by Federal Home Loan Mortgage Corporation for that organization and Federal National Mortgage Association for that organization of any loss to or taking of any Subdivision Interest or the Common Area owned by the Association and/or its Members if such loss or taking exceeds \$10,000.00, and of any damage to a Subdivision Interest if such damage exceeds \$1,000.00.

Section 17. Notice of Damage. Upon the written request of any holder, insurer or governmental guarantor of the first Mortgage encumbering any Subdivision Interest, to give timely written notice to the same of any substantial damage to or destruction of any Subdivision Interest or any portion of the Common Area and, if any Subdivision Interest, or any portion thereof, or the Common Area, or any portion thereof, is made the subject of any condemnation or eminent domain proceeding or is otherwise sought to be acquired by a condemning authority, to give timely written notice to the same of any such proceeding or proposed acquisition.

Section 18. Defense. To prosecute or defend, in the name of the Association, any action affecting or relating to the Common Area or the property owned by the Association, and any action in which all or substantially all of the Owners have an interest.

Section 19. Delegation of Powers. To delegate any of its powers hereunder to others, including committees, officers and employees, or the Professional Manager.

Section 20. Rules. To adopt, amend, repeal and enforce rules and regulations known as the "Rules", governing, among other things, the Common Area and the Subdivision Interest. The Rules may restrict and govern the use of Common Areas, if any right to use the Common Areas has been granted, by any Owner, by the family of such Owner, or by any invitee, licensee or lessee of such Owner; provided, however, that with respect to use of such Areas, the Rules may not unreasonably discriminate among Owners. Said Rules may also include parking restrictions and limitations, limitations upon vehicular travel, restrictions on the type or types of vehicles which may be permitted to use such Common Areas, outside storage of boats, trailers, bicycles and other objects, disposal of waste materials, drying of laundry, control of pets, architectural controls and restrictions on the maintenance of landscaping or other improvements on any property which obstruct the vision of motorists or which create a hazard for vehicular or pedestrian traffic, and restrictions on other activities which, if not so regulated, might detract from the appearance of the Project, or offend or cause inconvenience or danger to persons residing in or visiting the Project. A copy of the Rules, as they may from time to time be adopted, amended or repealed shall, if the Board deems it appropriate, be posted at a prominent place or places within the Common Area, where appropriate, and shall be given to each Member and, upon written request therefor, to all first Mortgagees either personally or mailed by first-class, registered or certified mail, postage prepaid to his address appearing on the books of the Association or supplied by him to the Association. If no address is supplied, a

copy of said Rules shall be deemed given if mailed to the address of the Subdivision Interest owned by such Member. Copies of such Rules shall be posted and circulated to each Member in the manner set forth above not less than ten (10) days and not more than sixty (60) days before said rules may be deemed to be in full force and effect. A copy of said Rules, as adopted, amended or released, may be recorded and shall have the same force and effect as if they were set forth herein and were a part of the Declaration. Such rules may provide that the Owner of a Subdivision Interest whose occupant leaves property on the Common Area in violation of the rules may be assessed after appropriate notice and an opportunity for a hearing before the Board which satisfies the requirements of Section 7341 of the California Corporations Code as set forth in the By-Laws and a two-thirds (2/3) vote of approval by the Board to cover the expense incurred by the Association in removing such property and storing or disposing thereof. The Board may suspend the voting rights and right to use the recreational facilities located on the Common Area of an Owner who is in default in the payment of any assessment for any period during which such assessment remains unpaid, and for a period not to exceed thirty (30) days for any infraction of its rules and regulations after reasonable written notice and an opportunity for a hearing before the Board which satisfies the requirements of Section 7341 of the California Corporations Code as set forth in the By-Laws. Prior to election of the Board, Declarant shall have the right to adopt, amend and enforce Rules, as provided above.

Section 21. Right to Grant Easements. To grant permits, licenses and easements under, through and over the Common Area for utilities, roads and other purposes which are reasonably necessary or useful for the proper maintenance and operation of the Project.

Section 22. Availability of Documentation. To make available to any prospective purchaser of a Subdivision Interest, any Owner of a Subdivision Interest, any first Mortgagee and the holders, insurers and guarantors of a first Mortgage on any Subdivision Interest, current copies of the Declaration, the Articles, the By-Laws, the rules and regulations governing the Subdivision Interest, the most recent financial statement of the Association, a statement in writing as to the amount of the Association's current regular and special assessments and fees as well as any assessments levied upon the Owner's Subdivision Interest which are unpaid and the amount of any late charges, interest and costs of collection which, as of the date of the statement, are or may be made a lien on the Subdivision Interest, and any other documents which may be required by applicable law, including but not limited to the provisions of Civil Code Section 1368. "Available" as used in this paragraph shall at least mean available for inspection upon request during normal business hours or under other reasonable circumstances.

Section 23. Budget and Financial Statements. In addition to all other duties of the Association as set out in this Declaration and By-Laws, it shall be the duty of the Board to have the Association prepare budgets and financial statements and have them distributed to all of its Members as follows:

- (a) A balance sheet rendered as of an accounting date that is the last day of the month closest in time to six (6) months from the date of closing of the first sale of a Subdivision Interest (the "accounting date"), and an operating statement for the period commencing with the date of closing of the first sale and ending on the accounting date shall be distributed to each Owner and any Mortgagee that has requested a copy within sixty (60) days after the accounting date. The operating statement shall include a schedule of assessments received or receivable identified by the Subdivision Interest number and the name of the Owner assessed.

(b) A pro forma operating budget shall be distributed to the Members not less than forty-five (45) days nor more than sixty (60) days prior to the beginning of the Association's fiscal year. The budget shall include all of the following:

 - (B) As of the end of the fiscal year for which the study is prepared:
 - (i) The current estimate of the amount of cash reserves necessary to repair, replace, restore, or maintain the Major Components.
 - (ii) The current amount of accumulated cash reserves actually set aside to repair, replace, restore, or maintain Major Components.

- (3) A statement as to whether the Board has determined or anticipates that the levy of one or more special assessments will be required to repair, replace, or restore any Major Component or to provide adequate reserves therefor.
- (4) A general statement addressing the procedures used for the calculation and establishment of those reserves to defray the future repair, replacement, or additions to those Major Components that the Association is obligated to maintain.
- (5) The original budget shall include, without limitation, the following items as reserves: (i) alterations; (ii) painting; (iii) roof replacement and maintenance for roofs based upon the life expectancy of the existing roof; (iv) recap, restripe and seal coating of all asphalt; (v) irrigation and landscaping; and (vi) inflation reserve.

In lieu of the distribution of the pro forma operating budget, the Board may elect to distribute a summary of the pro forma operating budget to all Members with a written notice that the pro forma operating budget is available at the business office of the Association or at another suitable location within the boundaries of the Project and that copies will be provided upon request and at the expense of the Association. If any Member requests that a copy of the pro forma operating

budget be mailed to the Member, the Association shall provide the copy to the Member by first-class United States mail at the expense of the Association and delivered within five (5) days. The written notice that is distributed to each of the Members shall be in at least 10-point bold type on the front page of the summary of the budget.

A copy of the annual report shall be distributed to each Owner and any Mortgagee that has requested a copy within one hundred twenty (120) days after the close of the fiscal year. In any fiscal year in which the gross income of the Association exceeds \$75,000, a copy of the review of the annual report prepared by a licensee of the California State Board of Accountancy in accordance with generally accepted accounting principles shall be distributed with the annual report. If the annual report is not reviewed by an independent accountant, the report shall be accompanied by the certificate of an authorized officer of the Association that the report was prepared from the books and records of the Association without independent audit or review.
- (d) A statement describing the Association's policies and practices in enforcing lien rights or other legal remedies for default in payment of its assessments against its Members shall be annually delivered to the Members during the 60-day period immediately preceding the beginning of the Association's fiscal year.
- (e) A summary of the Association's general liability insurance policy that states all of the following:
 - (1) The name of the insurer.
 - (2) The policy limits of the insurance.

Subdivision Interest and such Owner complies with the provisions of subparagraphs (b) and (c) below.

- (b) Prior to the installation of the Dish, the Owner shall submit to the ARC detailed plans depicting the Dish and showing the dimensions and proposed location of the Dish and any landscaping or other screening to be installed to shield the Dish from view ("Plans") and any necessary written consents establishing that the requirements of subparagraph (a) above have been fully satisfied. The submission and approval process shall be the same as set forth in Section 20 of this Article X. The decision of the ARC shall not be willfully delayed. The ARC may impose "reasonable restrictions" upon the location and visibility of the Dish. As used herein, "reasonable restrictions" means those restrictions that do not significantly increase the cost of the video or television antenna system, including all related equipment, or significantly decrease its efficiency or performance, including, but not limited to those reasonable restrictions set forth in Civil Code Section 1376.
- (c) If the Plans are approved by the ARC, the Dish shall be installed in strict compliance with the Plans and any deviation from such Plans shall require the prior written approval of the ARC. The Owner of each Subdivision Interest for himself/herself, his successors and assigns agrees to care for, irrigate, cultivate, prune and maintain in good condition any and all trees, lawns and shrubs growing on the Subdivision Interest and should Owner or his successors or assigns fail to do so, or fail to keep said realty free from rubbish, brush, weeds, undergrowth or debris of any character, the Association may, at any time, (i) initiate legal proceedings to enforce compliance with this Section 7 of Article X or (ii) upon thirty (30) days written notice to such Owner or his successors and assigns, of its intention so to do, enter upon said Subdivision Interest and remove such rubbish, brush, weeds, undergrowth or debris or replace dead lawn, trees or plants and assess said Owner or his successors or assigns for the cost thereof. The Association shall notify Owner or his successors or assigns in writing of the cost thereof, and in the event such person or persons fails to reimburse the Association for its costs and expenses, such charges shall constitute a lien on that Owner's Subdivision Interest, which may be enforced by the Association in accordance with the provisions of Article III of this Declaration, including, without limitation, the provisions of Sections 8, 9 and 10 of Article III.

Section 8. Trees; Vegetation. No tree, shrub, hedge, plant, vegetation, foliage or landscaping which exceeds the height of the residence or which could eventually grow to a height exceeding the height of the residence or which could interfere with the view from any other Subdivision Interest shall be planted, installed or maintained upon any Subdivision Interest unless prior to the planting or installation thereof, a complete description of the species, actual and potential height and shape thereof, and proposed location within the Subdivision Interest have been submitted to and approved in writing, as to species, height, shape appearance and as to the effect on the view or visibility from or afforded by any other Subdivision Interest or Real Property, by the Architectural Review Committee. The method of submission shall be by mailing of a first class United States Mail Certified Receipt Requested letter to any current member of the Architectural Review Committee. The sixty (60) day period shall begin to run on the date of receipt of said letter by the Committee member. Notwithstanding any other provisions herein to the contrary, the foregoing restrictions shall not apply to trees, shrubs, hedges, plants, vegetation, foliage or landscaping planted by Declarant.

Section 9. Nuisances. No odors shall be permitted to arise from any Subdivision Interest so as to render such Subdivision Interest unsanitary, unsightly, offensive or detrimental to any other Subdivision Interest; and no nuisance shall be permitted to exist or operate upon any Subdivision Interest so as to be offensive or detrimental to any other Subdivision Interest or to the Owners thereof; without limiting the generality of the foregoing

provisions, horns, whistles, bells or other sound devices, except devices used exclusively for security purposes and which are approved by Declarant, the Association or the Committee, or bright lights which may disturb occupants of the neighborhood, shall be located, used or placed upon any Subdivision Interest; no Owner shall permit any thing or condition to exist upon any Subdivision Interest which shall induce, breed or harbor infectious plant diseases or noxious insects, and no noxious or offensive trade or activity shall be carried on upon any Subdivision Interest, nor shall anything be done thereon which is or may become an annoyance or nuisance to the project.

Section 10. Repair of Improvements. No improvements (including but not limited to dwelling units, garages, carports, walls and fences) shall be permitted to fall into disrepair and all Improvements shall at all times be kept in good condition and repair and adequately painted or otherwise finished. Any and all repairs, redecorations, modifications or additions, interior or exterior, shall fully comply with all applicable building code requirements, rules and restrictions. Roof ventilators, if any, shall be painted within three (3) months of installation to match the color of the roof to which it is or will be attached. Any violation of this provision may be enforced by the same parties and in the same manner as provided in Section 7 above.

Section 11. Easements. Easements for installation and maintenance of utilities and drainage facilities may have been conveyed as shown on the recorded plat and otherwise of record. Whether or not such easements constitute a part of the Common Area, neither the Association nor any Owner shall take any action which would interfere with the reasonable and normal use and operations of such easements. If a drainage facility located on a Subdivision Interest requires maintenance, the Owner of such Subdivision Interest shall maintain it in good condition and repair.

Section 12. Signs. No billboards, signs or advertising of any kind, excepting a conventional "for sale", "for rent" or "for exchange" sign, and not more than two (2) conventional security company signs shall be erected or maintained upon any of said Subdivision Interest without the prior written consent of the Architectural Review Committee, except that this restriction shall not apply to Declarant or to any entity owned or controlled by Declarant, as provided in Section 7 of Article XI. No permitted sign shall exceed two (2) feet in height or width.

Section 13. Sales Office. Declarant or its sales agents may, during the sale campaign of the Subdivision Interests in the Real Property and/or interests in other real property owned by Declarant or its affiliates in the general vicinity thereof, maintain on the property owned by it in the Real Property, or in the Common Area a real estate office, model homes, parking facilities, lights, decorative entrance wall lot areas, and such signs, flags and sales aids as it may desire to promote such sales.

Section 14. Animals. No animals, birds or fowl, other than commonly recognized household pets, shall be kept or maintained on said Subdivision Interest or any portion thereof. At any one time the total number of household pets shall not exceed four (4) and the total number of any one species shall not exceed two (2). In the event of a dispute with respect to whether or not a particular species of animal, bird or fowl is a commonly recognized pet, the determination of the Board shall govern.

Section 15. Walls and Fences. There are walls and/or fences around and within the Project which were constructed or are to be constructed by Declarant and are subject to this

Declaration. It shall be the duty of every Owner of a Subdivision Interest to maintain and repair all walls and fences located within such Owner's Subdivision Interest and, if necessary, to replace said walls and fences as originally constructed. The Owner shall remove all graffiti from said walls and fences or paint over such graffiti within forty-eight (48) hours after such graffiti first appears. No changes or alterations shall be made to said walls and/or fences. In the event the need for repair of said walls and/or fences is caused through the willful or negligent acts of an Owner or his family, guests or invitees, the liability of the Owner for the cost of such repair shall be determined according to the laws of the State of California. It shall be the duty of each Owner of a Subdivision Interest on which a wall or fence is located to maintain said wall or fence and to obtain and maintain in force property and casualty insurance on a current replacement cost basis on such walls or fences. If such Owner fails to promptly repair or replace a damaged or destroyed wall or fence, or remove graffiti, the Association shall perform such work at the Owner's expense. In such event, any insurance proceeds an Owner may receive for any damage or destruction to the wall or fence located on his Subdivision Interest shall be paid to the Association which shall as promptly as practicable and in a lawful and workmanlike manner restore and repair the block wall and/or fence to its former condition. If an Owner fails to pay to the Association any such insurance proceeds, or to reimburse the Association for the cost of the work, then the Association shall have the right to file a lien upon the Subdivision Interest of such Owner. The Association is hereby granted a right and easement over, under, upon and across each Subdivision Interest wherein the aforesaid perimeter wall and/or fence is located for the purpose of repairing and, if necessary, replacing said walls.

Section 16. Construction of Walls. No fence, wall, hedge, construction, or obstruction shall be installed or constructed upon any Subdivision Interest in said Project except the residence, garage, or other out building permitted to be erected under the provisions of these restrictions, unless such fence, hedge, wall, construction or obstruction is originally constructed by Declarant or is designed so as to be provided with one opening for every three (3) feet of length at ground level and so as to permit free drainage of waters falling upon the Subdivision Interest or flowing across the Subdivision Interest from an adjoining Subdivision Interest, nor shall any such fence, wall, hedge, construction or obstruction be installed or erected unless prior to the commencement thereof complete working plans and specification therefor have first been submitted to the Architectural Review Committee for the approval or rejection thereof by the Architectural Review Committee, and that Committee shall have given its written approval.

Section 17. Drainage. Each Owner agrees for himself and his successors and assigns that he will not in any way interfere with the natural or established drainage of water over, under or through his Subdivision Interest from an adjoining or other Subdivision Interest in the Project, including run off from the roof of an adjoining Owner, or that he will make adequate provisions for proper drainage in the event the Association determines it is necessary to change the natural or established flow of water drainage over the Owner's Subdivision Interest. For the purposes hereof "natural" drainage is defined as the drainage which would naturally occur at the time the overall approved grading plan of said Project has been completed by the Declarant. For the purposes hereof, "established" drainage is defined as the drainage which occurred or which would occur at the time the overall grading of the Project, including the finish grading of each Subdivision Interest in the Project, was completed by the Declarant. In the event an Owner interferes with the natural or established drainage over his or her Subdivision Interest or any other Subdivision Interest or Common Area or if an Owner causes flooding or oversaturation of any other Subdivision Interest or Common Area, such

Owner shall be deemed to be in violation of this Declaration. Compliance with the provisions of this section shall be enforced as provided in Article IX of this Declaration.

Section 18. Provision for Architectural Approvals. Except as to construction of Improvements by Declarant in any phase of the Project, no building, fence, wall, or other structure shall be commenced, erected, or maintained on the Real Property; nor shall any Improvement be made which affects the natural or established drainage from the Subdivision Interest nor shall any exterior addition or change or alteration in any such Improvements on the Real Property, including the following by way of illustration but not limitation, solar or heating systems; pools, spas, ponds, fountains; landscaping, stonework, or concrete work; related mechanical, plumbing, or electrical facilities; awnings or patio covers, be made, until the plans and specifications showing the nature, kind, shape, materials, location and proposed construction schedule of the same have been submitted to and approved in writing by the Architectural Review Committee provided in Article X, Section 20. Whenever in this Declaration the prior consent or approval of the Association is required as a condition to any action by an Owner affecting any alterations, changes, additions, or modification, the Association through the Board may delegate to the Architectural Review Committee the right and duty to grant or withhold such consent or approval. In the event the Architectural Review Committee or its designated representatives fails to approve or disapprove such design and location within sixty (60) days after the plans and specifications have been submitted to it, such plans and specifications shall be deemed disapproved. The Board may require that every submission of a request for approval in connection with any proposed Improvement be accompanied by a fee to be paid to the Association in an amount not to exceed \$150.00.

Section 19. Architectural Review Committee. The Declarant shall appoint all of the original members of the Architectural Review Committee consisting of not less than three (3) nor more than five (5) members, the initial members of which shall be Michael McGee, John Osgood and Hal Struck, 10880 Wilshire Boulevard, Suite 1900, Los Angeles, California 90024. A majority of the Committee may designate a representative to act for it. Any member shall have the right to resign at any time. Neither the members of the Committee nor its designated representative shall be entitled to any compensation for services performed under this provision. The Declarant shall have the right to appoint a majority of the members of the Architectural Review Committee and any replacements on such committee until ninety percent (90%) of the Subdivision Interests in the Project have been sold and the deeds to Owners recorded. Thereafter the Board shall have the power to appoint members thereof or to change the membership of the committee in accordance with the By-Laws. The terms of office of the Members of the Architectural Review Committee shall expire at such time as the Board or the Declarant, in its sole discretion shall determine, whichever shall be entitled to appoint the members thereof.

Section 20. Approval of Committee. The Architectural Review Committee's approval as required in this Declaration shall be in writing. In the event that the Architectural Review Committee, or its designated representative, fails to approve or disapprove any plan, specification, design or plot plan within sixty (60) days after the same shall have been submitted to it, then such plans and specifications shall be deemed to have been disapproved by the Committee. The method of submission shall be by the mailing of a first class United States Mail Certified Return Receipt Requested letter to any current member of the Architectural Review Committee. The sixty (60) day period shall begin to run on the date of receipt of said letter by the Committee member.

Section 21. Basis for Approval of Improvements. The Architectural Review Committee shall grant the requested approval only if said Committee determines, in its sole and absolute discretion, that:

- (a) The proposed Improvement conforms to this Declaration and particularly to the requirements and restrictions of this Section, and to the Rules in effect at the time the application for approval was submitted;
- (b) The proposed Improvement is compatible with the standards of the Project and the purposes of this Declaration as to quality of workmanship and materials;
- (c) The proposed Improvement is compatible with the architectural quality of the Project and will not depreciate the value of the Project.

Section 22. Liability of Committee Members. Neither Declarant, the Association nor any member of the Architectural Review Committee shall be liable for damages to anyone submitting plans and specifications to it for approval or to any Owner, occupant or guest, by reason of a mistake in judgement, negligence or nonfeasance arising in connection with the approval or disapproval of any plans and specifications.

Anyone who submits plans and specifications to the Architectural Review Committee shall be deemed to have agreed by submission of such plans and specifications, and every Owner and occupant of any Subdivision Interest, or any part of the Real Property, agrees, by acquiring title and/or possessory rights thereto, that he will not bring any action or suit against Declarant, the Association, any member of the Architectural Review Committee or its designated representative for the recovery of damages by reason of any such approval or disapproval.

Section 23. Painting. No building, including without limitation, garages, shall be painted or repainted other than in its original colors unless the new color has been approved by the Architectural Review Committee.

Section 24. Clotheslines. No clotheslines shall be placed nor shall any clothes be hung in any manner whatsoever on any Subdivision Interest in a location, including but not limited to the garage door, visible from a public street.

Section 25. Commercial Vehicles and Recreational Vehicles. "Commercial Vehicles" and "Recreation Vehicles" (as those terms are defined below) shall be subject to the following prohibitions and restrictions:

- (a) As used herein the term "Commercial Vehicle" shall be defined as: (i) any vehicle with a sign displayed on any part thereof advertising any kind of business or other venture; or (ii) any vehicle on which racks, materials, ladders and/or tools are visible; or (iii) any vehicle with a body type normally employed as a business vehicle whether or not a sign is displayed on any part thereof; or (iv) a truck of greater than one (1) ton capacity; or (v) a van other than one used solely as a family passenger van; or (vi) a bus. A Commercial Vehicle may be defined as such even if such vehicle does not have a commercial license plate.

(b) As used herein, the term "Recreational Vehicle" shall include, without limitation, motorhomes, buses, trailer coaches, trailers, boats or other watercraft, aircraft or campers.

(c) No Commercial Vehicle or Recreational Vehicle may be parked on any Subdivision Interest (unless the entire vehicle is located within a garage) or on any street or alley at any time, except as permitted below:

(i) A Commercial Vehicle not owned or operated by an Owner or an occupant of a Subdivision Interest may be parked temporarily on said Subdivision Interest or on the street in front of said Subdivision Interest during such time as the operator of such Commercial Vehicle is delivering goods or providing services to the Owner or occupant of said Subdivision Interest.

(ii) No Recreational Vehicles owned by an Owner or occupant of a Subdivision Interest may be parked on said Subdivision Interest or in the street in front of such Owner's or occupant's Subdivision Interest except while said Recreational Vehicle is being loaded or unloaded for a period not to exceed forty-eight (48) hours in any seven (7) day period;

(iii) Recreational Vehicles owned by persons visiting an Owner or occupant may be parked in front of such Owner's or occupant's Subdivision Interest while such person is visiting, provided that such Owner or occupant first obtains the written consent of the Board, but in any event such period shall not exceed seven (7) days;

(iv) On those Subdivision Interests on which Declarant has constructed a Recreational Vehicle parking space ("RV space"), a Recreational Vehicle may be parked within such RV space.

In addition, no Commercial or Recreational Vehicle or any automobile, van, motorhome or truck or equipment, may be dismantled, repaired or serviced on any Subdivision Interest, street or alley in any area visible from adjoining property or public street.

Section 26. Garage Doors. No garage door is to be left open except: (a) at such time as a vehicle is entering or leaving said garage; or (b) when the Owner or occupant of such Subdivision Interest is working in such garage, not to exceed four (4) hours per day; however, such work shall not include any activity which is prohibited by Section 25 above. Notwithstanding the foregoing, garage doors may be left open to a height of up to two (2) feet if necessary to ventilate heat from the garage during very hot weather.

Section 27. Drainage Slope. Each Owner of a Subdivision Interest in said Project agrees for himself, his heirs, assigns, or successors in interest that he will permit free access by Owners of adjacent or adjoining Subdivision Interests to slopes or drainageways located on his Subdivision Interest which affect said adjacent or adjoining Subdivision Interests, when such access is essential for the maintenance of permanent stabilization on said slopes, or maintenance of the drainage facilities for the protection and use of Real Property other than the Subdivision Interest on which the slope or drainageway is located.

Section 28. Post-Construction Entry Rights. Declarant or its designee shall have the right to enter upon each Subdivision Interest in said Project for the purpose of planting and maintaining the slope banks as required. Said right of entry shall exist for a period not to

exceed ninety (90) days after the completion of the construction of all residential structures in said Project, at which time said right of entry and maintenance shall terminate as to said Subdivision Interest.

Section 29. Slope-Control Areas. There are certain Slope-Control Areas on the property which is the subject of these Covenants, Conditions and Restrictions. "Slope-Control Areas" shall mean those Subdivision Interests in this Project within which lie areas which are constituted as sloped, banked or hillside and which extend three (3) feet or more in vertical height. The following Subdivision Interests are so designated, viz.:

None in phase One (1)

Each Owner of such Subdivision Interest severally agrees for himself, his heirs, assigns and successors in interest with respect to his Subdivision Interest as follows:

- (a) No structures, planting or other material shall be placed or permitted to remain along, under or upon, nor shall any act be committed or act or omission suffered to be committed with respect to Slope-Control Areas which may damage or interfere with established slope ratios, create erosion or slide problems, or which may damage, obstruct, alter or retard the direction of the established drainage of water along, under, upon or within Slope-Control Areas or the flow of water through drainage channels located along, under, upon or within Slope-Control Areas.
- (b) Each Owner of any such Subdivision Interest shall continuously maintain and preserve the Slope-Control Area which lies within such Subdivision Interest at his or her own expense, including but not limited to, adequately watering, fertilizing, replacing, trimming vegetation and improvements thereon, all in conformity to generally accepted horticultural and slope preservation standards.
- (c) In the event any such lot Owner shall fail or refuse to perform any of the aforesaid obligations, the Association shall upon twenty-four (24) hours notice have the right to enter upon such Subdivision Interest for the purpose of performing said obligations, and shall not be liable for trespass for so doing.
- (d) In addition to any other right or remedy provided in this Declaration, there is hereby created in favor of the Association, the right to claim a lien on such Subdivision Interest in an amount equal to the reasonable cost to the Association of performing such obligations, together with interest thereon at ten percent (10%) per annum from the date such obligations are performed and all costs of collection which may be paid or incurred by the Association in connection therewith, including reasonable attorneys' fees, which may be enforced by Declarant or its successors in interest, Subdivision Interest Owner or Architectural Review Committee in the same manner provided by law with respect to any other contractual obligation.

Upon recordation of such a claim of lien, the lien claimed therein shall immediately attach and become effective in favor of the Association, subject only to the limitations hereinafter set forth. Such a lien shall have priority over all other liens created subsequent to

the recordation of such claim of lien, except only liens for real property taxes on any such Subdivision Interest, assessments on such Subdivision Interest in favor of any municipal or other governmental body, and the lien of any trust deeds. Any such lien may be foreclosed by appropriate judicial proceedings or otherwise, as may be prescribed by the laws of the State of California from time to time in effect, and court costs, expense of sale, and reasonable attorneys' fees shall be allowed to the extent permitted by law, in addition to all other amounts secured by said lien. The Association shall be entitled to bid at any foreclosure sale of such Subdivision Interest and to purchase it at such sale and to thereafter hold, lease, mortgage and convey the same. The Association shall be entitled to receive, out of proceeds of any foreclosure sale, all amounts secured by such lien together with all expenses of collection and sale and reasonable attorneys' fees, and the excess remaining shall be paid to the owner of the Subdivision Interest which is sold.

Section 30. No Impairment of Liens. No violation of any of the covenants, conditions or restrictions in this Declaration, nor any of the rights or rights to claim a lien or liens created hereunder upon any Subdivision Interest in the Project shall defeat or render invalid the lien of any holder of any indebtedness, or the renewal, extension or refinancing thereof, made in good faith and for value, and secured by any recorded trust deed upon such Subdivision Interest in favor of or for the benefit of any agency or officer of the United States of America, any agency or officer of the State of California, any institutional lender (meaning any bank, insurance company, savings and loan association, or building and loan association), Declarant, any wholly-owned corporate subsidiary of Declarant, or any corporation of which Declarant is a wholly-owned subsidiary, and the rights, remedies and liens created hereby upon any such Subdivision Interest shall be subject and subordinate thereto; provided that, immediately after any power of sale or court foreclosure of any such trust deed by sale of such Subdivision Interest, this Declaration shall be binding upon and effective against any Owner (including Declarant) whose title is derived through such a trustee's sale or court foreclosure, and the same rights and remedies shall attach and a new claim of lien shall automatically be created on such Subdivision Interest under the applicable provisions hereof, without further act, to secure payment of any and all assessments levied hereunder, after the date of such trustee's sale or court foreclosure.

Section 31. Solar Equipment. No solar equipment, including but not limited to solar collectors and solar panels, shall be installed until approval of the Architectural Review Committee has been obtained, which approval will not be unreasonably withheld, as to (i) type of solar equipment to be installed and (ii) location thereof. The Architectural Review Committee may impose reasonable restrictions on the solar energy system as set forth in California Civil Code Section 714 (as such section may be hereafter amended, supplemented or superseded).

Section 32. Mutual Covenants. Except as otherwise provided herein, the Association and each Owner, including without limitation Declarant if, and only for so long as it owns any of the Real Property or the property on Exhibit "B" hereto, shall have the right to enforce any or all of the provisions of the covenants, conditions and restrictions upon any other Owner or Owners. In order to enforce said provision or provisions, any appropriate judicial proceeding in law or in equity may be initiated and prosecuted by such Owner or Owners. Failure by the Association or any Owner (including Declarant) to enforce any provision of this Declaration shall in no event be deemed a waiver of the right to do so thereafter.

Section 33. Enforcement Costs. If any Owner, Declarant or the Association seeks to enforce the provisions of this Declaration, the party in violation of this Declaration shall pay all

reasonable expenses incurred by the party enforcing the provisions hereof, including but not limited to reasonable attorneys' fees.

ARTICLE XI

GENERAL PROVISIONS

Section 1. Severability. The provisions of this Declaration shall be deemed independent and severable, and the invalidity or partial invalidity or unenforceability of any provision or provisions shall not invalidate any other provisions.

Section 2. Amendments. Before the close of the first sale of a Subdivision Interest in the Project to a purchaser other than Declarant, this Declaration and any amendments to it may be amended in any respect or revoked by the execution by Declarant and any Eligible Mortgage Holder of record of an instrument amending or revoking the Declaration. Before the close of the first sale of a Subdivision Interest in a second or subsequent phase of the Project to a purchaser other than Declarant, any Supplementary Declaration recorded pursuant to Section 15 with respect to such phase may be amended in any respect or revoked by the execution of an instrument amending or revoking the Supplementary Declaration by Declarant and any Eligible Mortgage Holder of record of the property described in the Supplementary Declaration. The amending or revoking instrument shall make appropriate reference to this Declaration and its amendments and shall be acknowledged and recorded in the office of the County Recorder of the County. After the close of the first sale of a Subdivision Interest in the Project to a purchaser other than Declarant, this Declaration may be amended at any time and from time to time by an instrument in writing signed by Members representing seventy-five percent (75%) or more of the voting power of each class of Members unless the Class B membership has been converted to Class A membership, in which event, seventy-five percent (75%) of the total voting power of the Association comprised of at least seventy-five percent (75%) of the votes of Members other than Declarant shall be necessary to amend this Declaration. Such amendment shall become effective upon the recording thereof with the Office of the County Recorder, provided, however, that no change may be made to material provisions herein without the prior written consent of Eligible Mortgage Holders, all as more particularly set forth below in Section 3 of this ARTICLE XI. Notwithstanding the above or any other section of this Declaration, the percentage of the voting power necessary to amend a specific clause or provision shall not be less than the percentage of affirmative votes prescribed for action to be taken under that clause. Notwithstanding any provision herein to the contrary, any addition or amendment made to the Governing Documents in order to correct a technical error or for clarification purposes may be made by Declarant without membership approval.

Section 3. Material Amendments.

- (a) In addition to the consent of the Members in accordance with Section 2 of this ARTICLE XI, the approval of at least fifty-one percent (51%) of the Eligible Mortgage Holders shall be required to add or amend any material provisions of the Governing Documents, which establish, provide for, govern or regulate any of the following:

- (1) Voting;
- (2) Assessments, assessment liens or subordination of such liens;
- (3) Reserves for maintenance, repair and replacement for the Common Areas;
- (4) Insurance or Fidelity Bonds;
- (5) Rights to use of the Common Areas;
- (6) Responsibility for maintenance and repair of the several portions of the Project;
- (7) Expansion or construction of the Project or the addition, annexation or withdrawal of property to or from the Project;
- (8) Boundaries of any Subdivision Interest;
- (9) The interests in the Common Areas;
- (10) Convertibility of Subdivision Interest into Common Areas or of Common Areas into Subdivision interest;
- (11) Leasing of Subdivision Interests;
- (12) Imposition of any right of first refusal or similar restriction on the right of an Owner to sell, transfer or otherwise convey his or her Subdivision Interest;
- (13) Any provisions which are the express benefit of Mortgage Holders, Eligible Mortgage Holders or Eligible Insurers or Guarantors.

(b) An addition or amendment to the Governing Documents shall not be considered material if it is for the purpose of correcting technical errors, or for clarification only. An Eligible Mortgage Holder who receives a written request to approve additions or amendments who does not deliver or post to the requesting party a negative response within thirty (30) days shall be deemed to have approved such request.

Section 4. Extension of Declaration. Each and all of these covenants, conditions and restrictions shall terminate on December 31, 2025, after which date they shall automatically be extended for successive periods of ten (10) years unless the Owners have executed and recorded at any time within six (6) months prior to December 31, 2025, or within six (6) months prior to the end of any such ten (10) year period, in the manner required for a conveyance of real property, a writing in which it is agreed that said restrictions shall terminate on December 31, 2025, or at the end of any such ten (10) year period.

Section 5. Attorneys Fees. In the event the Association, Declarant or any Owner shall commence litigation to enforce any of the covenants, conditions or restrictions herein

contained, the prevailing party in such litigation shall be entitled to costs and expenses of the suit including reasonable attorney's fees.

Section 6. Special Responsibilities of Association. In the event that the improvements to be installed by Declarant to the Common Area have not been completed prior to the issuance of a Final Subdivision Public Report covering the Project, and in the further event that the Association is the obligee under a bond to secure performance by the Declarant to complete such improvements, then if such improvements have not been completed and a Notice of Completion filed within sixty (60) days after the completion date specified in the Planned Construction Statement appended to the bond, the Board shall consider and vote upon the question of whether or not to bring action to enforce the obligations under the bond. If the Association has given an extension in writing for the completion of any such improvement then the Board shall consider the vote on said question if such improvements have not been completed and a Notice of Completion filed within thirty (30) days after the expiration of the extension period. In the event that the Board determines not to take action to enforce the obligations secured by the bond, or does not vote on the question as above provided, then in either such event, upon petition signed by Members representing five percent (5%) of the total voting power of the Association, the Board shall call a special meeting of the Members of the Association to consider the question of overriding the decision of the Board or of requiring the Board to take action on the question of enforcing the obligations secured by the bond. Said meeting of Members shall be held not less than thirty-five (35) days nor more than forty-five (45) days following receipt of the petition. At said meeting, a vote of a majority of the voting power of the Members of the Association, excluding the vote of Declarant, to take action to enforce the obligations under the bond shall be deemed to be the decision of the Association, and the Board shall thereafter implement the decision by initiating and pursuing appropriate action in the name of the Association.

Section 7. Limitation of Restrictions on Declarant. Declarant is undertaking the work of construction of residential dwellings and incidental improvements upon the Real Property. The completion of that work, and the sale, rental and other disposal of said dwellings essential to the establishment and welfare of said Real Property as a residential community. In order that said work may be completed and said Real Property be established as a fully occupied residential community as rapidly as possible, nothing in this Declaration shall be understood or construed to:

- (a) Prevent Declarant, its contractors or subcontractors from doing on the Real Property or any Subdivision Interest, whatever is reasonably necessary or advisable in connection with the completion of said work; or
- (b) Prevent Declarant or its representatives from erecting, constructing and maintaining on any part or parts of the Real Property, such structures as may be reasonable and necessary for the conduct of its business of completing said work and establishing said Real Property as a residential planned development and disposing of the same in parcels by sale, lease or otherwise, including the use by Declarant of improvements for models, sales offices and construction offices; or
- (c) Prevent Declarant from conducting on any part of the Real Property its business of completing said work, and of disposing of said Real Property in dwellings by sale, lease or otherwise; or

- (d) Prevent Declarant from maintaining such sign or signs on any of the Real Property as may be necessary for the sale, lease or disposition of the Real Property or any portion thereof or any master planned community in the vicinity of the Real Property; provided, however, that the maintenance of any such sign shall not unreasonably interfere with the use by any Owner of his Subdivision Interest or the Common Areas, where a right to use the Common Areas, or a portion thereof, has been granted.

Notwithstanding any provision herein to the contrary, Declarant shall not have the right to maintain any sign or signs on or within any Subdivision Interest which is not owned by Declarant.

Except as otherwise provided in Section 3 of ARTICLE V of this Declaration, so long as Declarant, its successors and assigns owns one or more of the Subdivision Interests established and described herein, Declarant, its successors and assigns shall be subject to the provisions of this Declaration. The rights of Declarant in this Declaration may be assigned by Declarant to any successor to all or any part of any Declarant's interest in the Project, as developer, by an express assignment incorporated in a recorded deed that transfers any such interest to a successor or to a Mortgagee acquiring Declarant's interest in the Project by foreclosure or by deed in lieu of foreclosure.

Section 8. Owners' Compliance. Each Owner, tenant or occupant of a Subdivision Interest shall comply with the provisions of this Declaration, the By-Laws, decisions and resolutions of the Association or its duly authorized representative, as lawfully amended from time to time, and failure to comply with any such provisions, decisions, or resolutions shall be grounds for an action to recover sums due, for damages, or for injunctive relief.

Section 9. Notices. Any Owner who encumbers his/her Subdivision Interest shall furnish the Association the name and address of the Mortgagee, and the Association shall maintain such information in a book entitled "Trust Deed of Subdivision Interests". The Association shall report to such Mortgagee any unpaid assessments due from the Owner of such Subdivision Interest at the same time as the Association makes demand of the Owner thereof for the payment of such assessment. Each Mortgagee shall also be entitled to timely written notification from the Association of any other default by its Owner-Trustor in the performance of such Owner's obligations under the terms and provisions of this Declaration which shall not have been cured within thirty (30) days after written notice to such Owner-Trustor by the Association specifying such default, and written notification of substantial damage to or destruction of any part of the Common Area as provided for in ARTICLE VII, herein.

Section 10. Examination of Books. The representative of any Mortgagee or other lender shall have the right to examine the books and records of the Association during reasonable business hours. A copy of the financial statements required under Section 23 of Article IV of this Declaration shall be mailed to each lender who requests same within the time limit prescribed therein.

Section 11. Meetings, Notice and Representation. Each Mortgagee who has furnished the Association with an address as set out in Section 8 of the Article XI above shall

be given notice of all meetings of the Association membership on the same basis as members and shall be permitted to designate a representative to attend all such meetings.

Section 12. Captions. The captions appearing at the commencement of the Sections hereof are descriptive only and for convenience in reference. Should there be any conflict between any such caption and the Section at the head of which it appears, the Section and not the caption shall control and govern in the construction of this Declaration.

Section 13. Vote of Membership. Except as otherwise provided in the Governing Documents, if the Class B membership has been converted to Class A membership, then wherever the provisions of this Declaration, the Articles or the By-Laws call for membership approval of action to be taken by the Association, the vote or written assent of a bare majority of the total voting power of the Association, comprised of at least the percentage of the voting power of members other than Declarant prescribed for action under any such provision, shall be necessary for such approval.

Section 14. Annexation.

- (a) Annexation of real property to the existing Project shall require the vote or written assent of not less than 66-2/3% of the total votes residing in Association Members other than Declarant unless the proposed annexation is in substantial conformance with a detailed plan of phased development submitted to the California Department of Real Estate with the application for a public report for the first phase of the Project.
- (b) The plan for phased development through annexation referred to in subparagraph (a) must include, but need not be limited to, the following:
 - (1) Proof satisfactory to the California Department of Real Estate that no proposed annexation will result in an overburdening of common facilities.
 - (2) Proof satisfactory to the California Department of Real Estate that no proposed annexation will cause a substantial increase in assessments against existing Owners which was not disclosed in subdivision public reports under which pre-existing Owners purchased their interests.
 - (3) Identification of the land proposed to be annexed and the total number of residential units then contemplated by Declarant for the overall Project.
 - (4) Provisions requiring that annexation of a new phase be effected prior to the third anniversary of the issuance of the original public report for the immediately preceding phase.
