Condominium Plan). Any grant deeds conveying any interest in the Project to individual purchasers of condominiums shall expressly refer to and incorporate this Declaration therein by reference. Whether or not a reference to this Declaration is made in any individual deed, each purchaser of a condominium, part or portion thereof, shall by acceptance of a deed or other conveyance for such condominium, part or portion thereof, thereby be conclusively deemed to have consented to and agreed to all of the covenants, conditions and restrictions contained herein for himself and his heirs, executors, administrators and assigns and does by said acceptance covenant for himself and his heirs, executors, administrators and assigns to observe, perform and be bound by the same.

### ARTICLE III

#### Board of Directors

Section 1. Number and Term: The management of the Project and the Association shall be governed by a Board of Directors consisting of five (5) persons, who need not be Owners of condominiums in the Project until conversion of Class B membership to Class A, after which time all Directors must be Owners of condominiums in the Project, or the nominee of any corporate Unit Owner.

The number of members of the Board and their term of office may be changed solely by an amendment to the By-Laws of the Association.

Section 2 Cumulative Voting. The Voting Owners shall vote for the election of the Board. Each Owner shall be entitled to cumulate his votes for one or more candidates to the Board of Directors if the candidate's name or candidates' names have been placed in nomination prior to the voting and if the Owner has given notice at the meeting prior to the voting of his intention to cumulate votes. If any one Owner has given such notice all members may cumulate their votes for candidates in nomination. The candidates receiving the highest number of votes, up to the number of Directors to be elected, shall be deemed elected. All voting at elections shall be by secret ballot.

Section 3. Removal of Directors. The entire Board of Directors or any individual Director may be removed by a vote of the Voting Owners holding a majority of the voting power entitled to vote at any election of Directors. Unless the entire Board of Directors is removed from office, no individual Director shall be removed prior to the expiration of his term of office if the votes cast against removal, or not consenting in writing to such removal, would be sufficient to elect such Director if voted cumulatively at an election at which the same total number of votes were cast and the

entire number of Directors authorized at the time of the most recent election of the Board of Directors were then being elected. If any Director is removed in the manner authorized above, a new Director may be elected at the same meeting.

Section 4. Majority of Voting Power in Declarant.

Notwithstanding anything to the contrary contained herein or in the By-Laws or in the Articles of Incorporation: (a) from the first election of the Board of Directors and thereafter for so long as a majority of the voting power of the Association resides in Declarant, or so long as there are two classes of membership in the Association, one (1) of the incumbents on the Board of Directors shall be elected solely by the votes of Owners other than Declarant; and (b) a Director who has been elected to office solely by the votes of Owners other than Declarant may be removed from office prior to the expiration of his term solely by the vote of a majority of the voting power residing in Owners other than Declarant.

ARTICLE IV

Voting Rights

Section 1. Voting Classes. The Association shall have two classes of voting membership.

Class A. The initial Class A Members shall be all Unit Owners with the exception of Declarant. Class A Members shall be entitled to one vote for each condominium owned by them. When more than one such person holds such interest in any condominium, all such persons shall be Members. The vote for such condominium shall be exercised as they, among themselves determine, but in no event shall more than one vote be cast or counted with respect to any such condominium.

Class B. The Class B Member shall be Declarant. The Class B Member shall be entitled to three (3) votes for each condominium owned by it, provided that the Class B membership shall cease and be converted to Class A membership on the happening of either of the following events, whichever occurs earlier:

(a) When the total votes outstanding in the Class A membership equal the total votes outstanding in the Class B membership inclusive of any votes attributable to any property annexed to the Project upon which assessments have commenced; or

(b) Two (2) years from the date of the original issuance of the most recently issued Final Subdivision Report for a Phase of the development of the Project; or

(c) Four (4) years from the date of the original issuance of the Phase I Final Subdivision Public Report.

Section 2. Commencement of Voting Rights. Upon the first conveyance by Declarant of a condominium to a Unit Owner, the Association shall assume control of the Project and commence to perform its obligations hereunder. Voting rights shall commence for each condominium within the Project at such time; provided, however, that assessments have been levied against that condominium by the Association in accordance with the provisions hereof. All voting rights shall be subject to the restrictions and limitations provided herein and in the Articles and By-Laws and any rules and regulations governing the Project.

Any provision in the governing instruments calling for membership approval of action to be taken by the Association, except provisions with respect to the action to enforce the obligations of Declarant under any completion bond, shall expressly require the vote or written assent of the prescribed percentage of each class of membership during the time that there are two outstanding classes of membership. Except with respect to the action to enforce the obligations of Declarant under any completion bond, any requirement in the governing instruments that the vote of Declarant shall be excluded in any such determination, shall be applicable only if there has been a conversion of Class B members to Class A members, and the same shall be read as requiring the prescribed percentage of the Class A members and the prescribed percentage of the Class A members other than Declarant.

Section 3. Joint Owner Disputes. Each Unit Owner shall designate one Voting Owner. There shall be only one Voting Owner for each condominium. The Voting Owner shall be designated by the record Owner or Owners of each condominium, by written notice to the Association, or the Manager. Said designation of a Voting Owner for condominium shall be revocable at any time by actual notice to the Association or the Manager, of the death or judicially declared incompetence of any record Unit Owner, or by written instrument delivered to the Manager by any record owner. Where no designation is made or where a designation has been made but is revoked and no new designation made, the Voting Owner of each condominium shall be the group composed of its record owners. If the joint owners are unable to agree as to how their vote shall be cast, they shall forfeit the vote on the matter in question. If any Owner exercises the voting rights of a particular condominium, it will be conclusively presumed for all purposes that he was acting with the authority and consent of all other Owners of the same condominium. If more than one (1) person exercises the voting rights for a particular condominium, their votes shall not be counted and shall be deemed void. Declarant shall be the Voting Owner with respect to condominiums owned by it from time to time.

## ARTICLE V

### Management and Administration

Section 1. Administration of Project. The management and administration of the Project shall be in accordance with this Declaration, the Articles of Incorporation, the By-Laws of the Association and any rules and regulations governing the Project as the same may be amended from time to time.

Section 2. First Meeting of Owners. The first organization meeting of the Unit Owners shall be held within forty-five (45) days after consummation of the sale of the condominium in the Project which represents the 51st percentile of all condominiums in the Project, and in no event later than six (6) months from the transfer and conveyance of the first condominium in the Project. Thereafter, annual meetings of such Owners shall be held in accordance with the By-Laws of the Association.

Section 3. Authority of Board. Prior to the first meeting of Members, and thereafter until their successors are elected, the initial Board named in the Articles, or their duly appointed successors, shall manage the affairs of the Association. The Board of Directors as constituted from time to time, shall at all times be responsible for the day to day operation and management of the affairs of the Association and shall have the sole power and duty to perform and carry out the powers and duties of the Association as set forth in this Declaration and the By-Laws, together with the powers and duties otherwise expressly delegated to the Board by this Declaration or the By-Laws, except for action or activity expressly set forth herein or in the By-Laws, the Articles or the California Corporations Code as requiring the vote or assent of the Members of the Association or a given percentage thereof. Without limiting the generality of the foregoing, the Board shall have the following powers and duties:

A. Employ the services of personnel necessary to operate and maintain the Project, fix and pay their compensation, and oversee and control such management and otherwise delegate its powers to committees, officers and/or employees.

B. Contract and pay for such labor and materials as may be reasonably required to maintain the Common Area and the buildings, to provide lateral support therefor and prevent and correct erosion thereof.

C. Acquire and maintain and pay for any required services such as: water, sewer, refuse collection, electrical, telephone and gas, and other necessary utility services

for the Common Area and (if not separately metered or charged) for the Units, as well as maintenance and gardening service for the Common Areas and Units.

D. Enforce the applicable provisions of the Declaration, By-Laws and other instruments for the management and control of the Project. The Board shall have the right to adopt reasonable rules and to amend the same from time to time, relating to the use of the Common Area and any recreational and other facilities situated thereon, by Owners and their tenants or guests, and conduct of such persons with respect to automobile parking, storage of boats, trailers, bicycles, and other objects, disposal of waste materials, drying of laundry, control of pets, exterior dealings with buildings and other activities, which if not so regulated, might detract from the appearance of the community or which otherwise would detract from the overall esthetics of the Project or offend or cause inconvenience or danger to persons residing or visiting therein. Such rules may provide that the Owner whose occupants leave property on the Common Area in violation of the rules, or who otherwise violate the rules in any manner may be assessed to cover the expense incurred by the Board, in removing such property and storing or disposing thereof or may be fined for violation of the rules after a hearing upon notice. The Board may provide in such rules for reasonable rental charges to be made with respect to the use of any storage areas or facilities which may exist upon the Common Area, provided that such charge shall in no way, impose liability upon the Board or any of its members for damages or loss to property so stored, it being intended that the use of any such storage area or facility be solely at the risk of the person using the same. A copy of such rules and all amendments thereto, shall be mailed to each owner and a copy shall be posted in one or more places on the Common Area where the same may be conveniently inspected.

E. Pay all taxes, charges and assessments levied or which could become a lien against the Common Area (except for charges levied solely against a Unit Owner and/or the undivided interest of a Unit Owner, which charges shall be paid by such Owner).

F. Use, in the discretion of the Board, the funds paid by Unit Owners as maintenance charges, as hereinafter more fully provided.

G. Provide financial statements of the Association to Unit Owners as provided in the By-Laws of the Association.

H. Enter any living area, patio, balcony, parking, or any portion of the Common Area or Restricted Common Area, if any, when necessary, in connection with any maintenance or construction for which the Board is responsible therein.

I. Contract and pay for fire, casualty, liability and other insurance on behalf of the Association as hereinafter provided.

J. Hire and pay for legal and accounting services necessary or proper in the operation of the Project or enforcement of these restrictions, the By-Laws, Articles and any rules and regulations governing the Project.

K. Paint, decorate, maintain, repair, keep in good condition and repair the Common Area and equipment and improvements thereon, including all appurtenant exclusive easements forming a part of any condominium, exterior walls, balconies, roof, and all facilities, improvements and landscaping thereon and acquire and maintain such furnishings and equipment for the Common Area as the Board shall determine are necessary and proper. The Board shall exercise such authority and perform such duties on behalf of the Owners with a view toward preserving the attractiveness of the Project as a whole and maintaining, insofar as may be practicable, the structural style and the color scheme established by Declarant. It is further understood that each Unit Owner shall have the primary obligation to paint, maintain and repair the interior of his Unit subject to the restrictions and provisions provided for herein, but if he fails to do so, the Association may, but shall not be required to, effect the repair or maintenance thereof and charge the costs thereof to the defaulting Unit Owner. Except for any damage caused by a Unit Owner or members of his family, his tenants, guests or invitees, no Unit Owner shall have any obligation with respect to maintenance and repair of any portion of the Common Area.

L. Provide, acquire and pay for any other materials, supplies, furniture, labor, services, maintenance, repairs, structural alterations, insurance, taxes, or assessments which the Board may be required to secure or pay for pursuant to the terms of these restrictions, or By-Laws, or which the Board in its opinion shall deem necessary, proper, or convenient for the operation of the Project, provided that if any such materials, supplies, furniture, labor, services, maintenance, repairs, structural alterations, insurance, taxes, or assessments are provided for a single Unit or only several but not all Units, the cost thereof shall be specifically assessed to the Owner or Owners of such Units.

M. Pay any amount necessary to discharge any lien or encumbrance levied against the Project, or any part thereof, which may, in the opinion of the Board, constitute a lien against the Property or against the Common Area, rather than merely against the interests therein of particular Owners. Where one or more Owners are responsible for the existence of such lien, they shall be jointly and severally liable for the cost of discharging it.

N. Until such time as property taxes are separately assessed to each individual Unit Owner, the Board may pay such property taxes singly assessed against the Project as a whole and collect the same from each Unit Owner prorata based on the undivided interest owned by each Unit Owner in the Common Area.

O. Comply with all applicable laws and orders and directives of any lawful authority.

P. The Board and Declarant are hereby precluded from taking any of the following actions except with the vote or written assent of a majority of the voting power of the Association residing in Members other than Declarant:

(1) Entering into a contract with a third person where the third person will furnish goods or services for the Common Area or the Association for a term longer than one (1) year, with the following exceptions:

(a) A management contract, the terms of which have been approved by the Federal Housing Administration or Veterans Administration.

(b) A contract with a public utility company if the rates charged for the materials or services are regulated by the Public Utilities Commission; provided, however, that the term of the contract shall not exceed the shortest term for which the supplier will contract at the regulated rate.

(c) Prepaid casualty and/or liability insurance policies of not to exceed three (3) years duration provided that the policy permits for short rate cancellation by the insured.

(d) Lease agreements for laundry room fixtures and equipment of not to exceed five (5) years duration provided that the lessor under the agreement is not an entity in which Declarant has a direct or indirect ownership interest of ten percent (10%) or more.

(e) Such other contracts which may from time to time be permitted by the regulations of the Real Estate Commissioner of the State of California.

(2) Incurring aggregate expenditures for capital improvements to the Common Area in any fiscal year in excess of five percent (5%) of the budgeted gross expenses of the Association for that fiscal year.

(3) Selling, during any fiscal year, property of the Association having an aggregate fair market value greater than five percent (5%) of the budgeted gross expenses of the Association for that fiscal year.

(4) Paying compensation to members of the Board of Directors or to officers of the Association for services performed in the conduct of the Association's business; provided, however, that the Board of Directors may cause a member or officer to be reimbursed for expenses incurred in carrying on the business of the Association.

(5) Filling any vacancy on the Board created by the removal of a Director.

Q. The Board shall have the right to and shall receive complaints and hold hearings concerning violations of this Declaration, the By-Laws and/or other rules and regulations governing the management and control of the Association and the Project. The Board shall have the right to suspend the voting rights and right to use of the recreation facilities of a Unit Owner for any period during which any assessment against his interest in the Project remains unpaid and delinquent and may also impose monetary penalties and/or suspend the voting rights and right to use of the recreational facilities for any other infraction of this Declaration or the By-Laws or the rules and regulations of the Association, provided that any suspension of such voting rights or right to use the recreational facilities shall be made only by the Board, or a duly appointed committee of the Board, after notice and hearing. All procedures for notice and hearing to the accused owner pursuant to this Paragraph Q shall satisfy the minimum requirements of Section 7341 of the California Corporations Code before a decision is reached by the Board to impose discipline.

R. The Association shall have the power to grant and convey to any third party easements and rights of way in, on, over or under the Common Area for the purpose of constructing, erecting, operating or maintaining lines, cables, wires, conduits or other devices for electricity, cable television, power, telephone or other purposes, public sewers, storm water drains and pipes, water systems, sprinkling systems, water, heating and gas lines or pipes, and any similar public or quasi-public improvements or facilities, and each purchaser, in accepting a deed to a condominium, expressly consents to such easements. However, no such easements can be granted if it would interfere with the use, occupancy or enjoyment by any Owner of his condominium, any exclusive easements over any Common Area appurtenant to the condominium, or any recreational facilities of the Project.

Section 4. Personal Liability. No Member of the Board or of any committee of the Association, or any officer of the Association, or the Declarant, or the Manager, if any, shall be personally liable to any Owner, or to any other party, including the Association, for any damage, loss or prejudice suffered or claimed on account of any act, omission, error or negligence of the Association, the Board, the Manager or any other representative or employee of the Association, the Declarant, or the Architectural Committee, if any, or any other committee, or any officer of the Association, or the Declarant, provided that such person has, upon the basis of such information as may be possessed by him, acted in good faith, and without willful or intentional misconduct.

Section 5. Indemnification for Performance of Duties. Every Member of the Board of Directors, Officer and Member of the Association shall be indemnified by the Association against all reasonable costs, expenses and liabilities (including attorneys fees) actually or necessarily incurred by, or imposed upon him, in connection with any claim, action, suit, proceedings, investigation - or inquiry, of whatever nature, in which he may be involved as a party, or otherwise, by reason of his having been an officer or member of the Association, or the Board of Directors whether or not he continues to be such Director, officer, or Member of the Association at the time of the incurring or imposition of such costs, expenses, or liabilities, except in relation to matters as to which he shall finally be adjudged in such action, suit, proceeding, investigation, or inquiry to be liable for willful misconduct or gross negligence toward the Association in the performance of his duties, or in the absence of such final adjudication, any determination of such liability by the opinion of legal counsel selected by the Association. The foregoing right of indemnification shall be in addition to and not in limitation of, all rights to which such persons may be entitled as a matter of law and shall inure to the benefit of the legal representatives of such persons.

In the event the Association is required to pay any such costs, expenses, or liabilities, the Association shall be entitled to assess all Unit Owners for the amount so expended in the manner hereinafter provided for special assessments and such assessments need not be first approved by the vote of the Owners.

Section 6. Certificate of Board of Directors. Any certificate executed by any two (2) members of the Board shall be conclusive proof of all matters contained in the certificate as to any act or non-act of the Association and/or the Board, or any of their respective committees or agents, or as to the performance or non-performance of any act of any Unit Owner, or non-payment or payment of any dues, fees, charges, assessments, interest, costs, or penalties, or as to any matters contained in the records of the Association or said Board. A charge of \$25.00 may be imposed by the Board of Directors for the issuance of each Certificate.

## ARTICLE VI

### Maintenance Assessments

Section 1. Creation of Lien and Personal Obligation of Owners. Declarant, for each condominium owned by it within the Project, hereby covenants, and each Owner of any condominium within the Project, by acceptance of a deed therefor, is deemed to covenant and agree to pay to the Association: (1) Regular Monthly Assessments or charges which shall include an amount necessary to establish an adequate reserve fund for maintenance, repairs and replacement of Common Area improvements; and (2) Special Assessments for capital improvements and emergencies; such assessments to be fixed, established and collected from time to time, as hereinafter provided. The Regular Monthly and Special Assessments together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a charge and continuing lien upon the condominium against which each such assessment is made, which lien shall be created and enforced in accordance with the provisions of this Article VI. Each such assessment (and all other assessments levied in accordance with this Declaration), together with late charges, interest, costs, penalties and reasonable attorney's fees, as provided for by this Declaration, shall also be the joint and several personal obligation of each person who was an Owner of such condominium at the time the assessment fell due.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety and welfare of the members of the Association and, in particular, for the improvement, maintenance and repair of the Project in a first class condition related to the use and enjoyment of the Common Area including any recreational facilities located thereon, and to the extent provided for herein, of the condominiums situated in the Project.

Section 3. Regular Monthly Assessments. Until changed as hereinafter provided, the initial Regular Monthly Assessment for each condominium shall be as set forth in the Association's budget as approved by the Department of Real Estate. Regular Monthly Assessments shall commence for all Units in each Phase of the Project, including those owned by Declarant, commencing on the first day of the month following the close of escrow for the sale of the first condominium in each Phase of the Project and shall be due and payable in advance of the first day of each month without notice. From and after the commencement date of assessments, the Association shall undertake the performance of all operation, management and maintenance obligations and duties of the Association. Notwithstanding anything herein to the contrary, the Declarant and any other Owner owning a subdivision interest which does not include a structural improvement for human occupancy shall be exempt from the

payment of that portion of any assessment which is for the purpose of defraying expenses and reserves directly attributable to the existence and the use of a structural improvement, which exemption shall include, but not necessarily be limited to, roof replacement, exterior maintenance, walkway and carport lighting, refuse disposal, cable television and domestic water supplied to Units. Such exemption shall be effective only until a notice of completion of the structural improvement has been recorded.

Section 4. Change of Regular Monthly Assessments.

A. The Regular Monthly Assessment may be increased by the Board without a vote of the members of the Association effective no sooner than the first day of the fiscal year following the commencement date of assessments, provided that any such increase shall not be more than twenty percent (20%) of the Regular Monthly Assessment in effect during the previous fiscal year, and provided that the Board give written notice of such increase to each Owner at least thirty (30) days in advance of the commencement of such increase. In the event the amount budgeted to meet common expenses for any current year proves to be excessive in light of the actual common expenses, the Board in its discretion may either reduce the amount of the Regular Monthly Assessment or may abate collection of such assessment as it deems appropriate. All Regular Monthly Assessments shall continue in effect until the end of the fiscal year during which they become effective and for each fiscal year thereafter unless increased or decreased in accordance with this Declaration.

B. The Regular Monthly Assessment may be increased by the Board in an amount greater than provided for in subsection A. of this Section 4 provided that any such change shall first be approved by at least a majority of the Owners other than Declarant present in person or by proxy and entitled to vote at a meeting duly called or such purpose, at which a quorum is present. Written notice of such meeting shall be sent to all Owners not less than thirty (30) days nor more than sixty (60) days in advance of the meeting, setting forth the purpose of the meeting. Notice of any increase pursuant to this Section 4B. shall be given by the Board to each Owner at least thirty (30) days in advance of the commencement of such increase.

Section 5. Special Assessments.

A. Special Assessments shall commence as to all Units, including those owned by Declarant, commencing on the date Regular Monthly Assessments commence.

B. In addition to the Regular Monthly Assessments authorized above, the Board may levy, during any fiscal year, assessments applicable to that year only for the defraying, in whole or in part, the cost of any construction, or unexpected repair or replacement of improvement upon the Common Area and personal property thereto; provided that any assessment in excess of five percent (5%) of the budgeted gross expenses of the Association for that fiscal year must first be approved by vote or written assent of a majority of the Owners (excluding Declarant).

C. In the event the Board shall determine that its budget for any current month is, or will become, inadequate to meet all expenses of the Association, including non-Owner's assessments on a current basis, it shall immediately determine the approximate amount of such inadequacy and levy a Special Assessment for the amount required to meet all such expenses on a current basis against the Owners of Condominium; provided that any assessment in excess of five percent (5%) of the budgeted gross expenses of the Association for that fiscal year must first be approved by vote or written assent of a majority of the Owners (excluding Declarant).

D. Special Assessments shall be payable in full thirty (30) days from notice thereof to the Owners unless otherwise provided by the Board.

#### Section 6. Rate of Assessments.

A. Regular Monthly Assessments shall be assessed equally against the Owners.

B. Special Assessments shall be assessed to Unit Owners equally except as follows:

(1) Special Assessments to raise funds for the rebuilding or major repair of structural portions of the Common Area shall be assessed on the ratio of the square footage of the floor area of the Unit to be assessed to the square footage of the floor area of all Units to be assessed.

(2) The Board shall have the right to establish a Special Assessment on a single Unit Owner or group of Unit Owners, if the same be required to secure or satisfy any breach of this Declaration, the Articles, By-Laws or rules and regulations of the Association, by said Unit Owner or Owners, which breach shall require or has required an expenditure by the Board for repair or remedy, including but not limited to, the violation of, or failure of such Unit Owner to comply with any applicable laws or orders or

directives of any lawful authority.

Section 7. Bank Accounts. Assessment charges so collected shall be promptly deposited in a bank or savings account, in a bank or savings and loan association to be selected by the Board, which account or accounts shall be under the name of the Association. The Board, and any officer of the Association or other person or firm designated by the Board, shall have exclusive control of said account or accounts, and shall be responsible to the Owners for the maintenance of accurate records thereof at all times. No withdrawal shall be made from any of said accounts except to pay for the charges and expenses or otherwise provide for the common benefit of all Owners.

The Board shall establish two (2) separate accounts into which shall be deposited all monies paid to the Association, and from which disbursements shall be made, as provided herein, in the performance of functions by the Association under this Declaration. Each of the accounts shall be established as a separate savings or checking account at a bank or savings institution. The accounts shall include: (i) an operating fund for current common expenses of the Association, and (ii) a fund for reserves for capital improvements, replacements, painting and repair of the Common Areas (which cannot normally be expected to occur on an annual basis). The Board shall not commingle any amounts deposited into either of the above accounts with one another. Nothing contained herein shall limit, preclude or impair the establishment of additional maintenance funds by the Association, so long as the amounts assessed to, deposited into, and disbursed from any such fund are earmarked for specified purposes authorized by this Declaration.

Section 8. No Offsets. All assessments shall be payable in the amount specified in the notice of assessment and no offsets against such amount shall be permitted for any reason.

## ARTICLE VII

### Liens

Section 1. Creation of Lien. There is hereby created a lien against and on each Unit Owner's interest herein to secure payment of the amount of the maintenance fund, or of any assessment, regular or special, assessed to the Unit Owners as provided herein; provided, however, the lien shall not be deemed effective for any purpose unless and until a notice of claim of lien is recorded, as hereinafter provided. No lien shall be created by way of an assessment for a monetary penalty imposed by the Association as a disciplinary measure for failure of an Owner to comply with the governing instruments of the Project or as a means of reimbursing

Association for costs incurred by the Association in the repair of damage to Common Areas and facilities for which the Owner is allegedly responsible or in bringing the Owner and his interest into compliance with the governing instruments unless the lien is as a result of enforcing a judgment of a court or a decision arising out of arbitration. The limitations imposed by the preceding sentence on the Association's ability to create a lien for a monetary assessment, shall not apply to charges imposed against an Owner consisting of reasonable late payment penalties for delinquent assessments and/or charges to reimburse the Association for the loss of interest and for costs reasonably incurred (including attorneys fees) in its efforts to collect delinquent assessments.

Section 2. Enforcement of Lien. If a Unit Owner fails to pay any assessment within thirty (30) days of the due date, a late charge shall be imposed on each delinquent assessment in an amount equal to the sum of Ten Dollars (\$10.00) plus one percent (1%) of the amount of the delinquent assessment which is in excess of One Thousand Dollars (\$1,000.00). The amount of the late charge may be increased by the Board from time to time if not in excess of that permitted by law. Assessments not paid within thirty (30) days after the due date shall bear interest at the rate of twelve percent (12%) per annum from the due date. If any assessment and other charges remain unpaid for thirty (30) days, the Board or any Unit Owner shall mail a notice of claim of lien to the Unit Owner and record a copy thereof in the office of the County Recorder of the county in which the Project is located. If, after thirty (30) days after such recording, the said sums remain unpaid, such lien may be enforced by sale by the Board, its attorney, or by any Owner, as trustee, in either case, for all Owners, such sale to be conducted in accordance with the provisions of Section 2924 et seq of the California Civil Code applicable to the exercise of powers of sale in mortgages or deeds of trust or in any other manner permitted by law. The Board shall have the power to bid in at the foreclosure sale and to hold, lease, mortgage and convey the same. Reasonable attorney's fees, title fees and expenses in connection with such foreclosure and/or the collection of the debt secured by such lien shall be paid by the Unit Owner against whom such foreclosure or other action is taken in connection with such lien. Unless sooner satisfied and released or the enforcement thereof initiated, as herein provided, such lien shall expire and be of no further force and effect one (1) year from the date of recordation of said notice, provided said one (1) year period may be extended by the Board for not to exceed one (1) additional year, by recording a written extension thereof. Such lien and right to foreclosure shall be in addition to and not in substitution for all other rights and remedies which the Unit Owners and the Board may have hereunder, including appropriate legal or equitable action.

Section 3. Priority of Lien and Subordination. The lien provided for herein shall be prior and superior to all other liens and encumbrances except for taxes, bonds, and assessments which by law are superior. Any lien provided for herein shall at all times also be subject and subordinate to and shall not affect or defeat nor render invalid the lien of any first mortgage or first deed of trust made in good faith and for value that is of record as an encumbrance against such condominium prior to the recordation of a notice of assessment against such condominium. The sale or transfer of any condominium pursuant to a judicial foreclosure or foreclosure by power of sale of a first deed of trust shall extinguish any assessment lien and any "right of first refusal" created against the condominium which is the subject of such sale or transfer pursuant to a judicial foreclosure or foreclosure by power of sale of a first deed of trust by the filing of a notice of assessment prior to the date of such sale or transfer, and shall prohibit the creation of any assessment lien against such condominium on account of payments which became due prior to the date of such sale or transfer; provided, however, that the purchaser at such sale shall be subject to all of the obligations of an Owner with respect to all assessments which become due after the date of such sale.

Section 4. Curing of Default. Upon payment of the delinquent assessment, all assessments becoming due thereafter, together with all interest, late charges, attorneys fees, and all additional charges incurred by the Association in connection with said notice of claim of lien and payment of a fee in the amount of twenty-five Dollars (\$25.00), the Board shall cause to be recorded a further notice stating the satisfaction and the release of the lien thereof. Any Unit Owner may free his own condominium from the lien of any joint assessment on more than one condominium by payment of his share thereof, whereupon a similar further notice of satisfaction and release shall be recorded by the Board as to said condominium.

Section 5. Additional Remedies. Such lien and the right to foreclose the same shall be in addition to and not in substitution for all other rights and remedies which the Unit Owners and the Board may have to enforce the provisions hereof.

Section 6. Certificate Re Amounts Due. Upon written request of any Unit Owner and payment of a reasonable fee, the Board or the Manager will furnish, for the benefit of any prospective purchaser or present or prospective encumbrancer of such condominium, a statement showing all amounts then due which are secured by any lien hereunder.

Section 7. Homestead and Exemption Waiver. Each Unit Owner does hereby waive, to the extent of any liens created pursuant hereto, the benefit of any homestead or exemption laws of the State of California in effect at the time the claim of lien is recorded.

## ARTICLE VIII

### Insurance

Section 1. Public Liability Insurance. Comprehensive public liability insurance shall be purchased by the Board and shall be maintained in effect at all times, insuring the Association, any Manager, the Declarant and the Owners and occupants of condominiums, and their respective family members, guests, invitees, and the agents and employees of each and all holders of first deeds of trust encumbering the condominiums within the Project, against any liability incident to the ownership or use of the Common Area and including, if obtainable, a cross-liability or severability of interest endorsement insuring each insured against liability to each other insured. The limits of such insurance shall not be less than \$1,000,000 covering all claims for death, personal injury and property damage arising out of a single occurrence. Such insurance shall include coverage against water damage liability for nonowned and hired automobiles, liability for property of others and any other liability or risk customarily covered with respect to projects similar in construction, location and use.

Section 2. Fire and Extended Coverage. A master or blanket policy of fire insurance for the full insurable value of all of the improvements within the Project shall be purchased by the Board and shall be maintained in effect at all times. The form, content, and term of the policy and its endorsements and the issuing company must be satisfactory to all institutional Mortgagees. If more than one institutional Mortgagee has a loan of record against the Project, or any part of it, the policy and endorsements shall meet the maximum standards of the various institutional mortgagees represented in the Project. The policy shall contain an agreed amount endorsement or its equivalent, an increased cost of construction endorsement or a contingent liability from operation of building laws endorsement or their equivalent, an extended coverage endorsement, vandalism, malicious mischief coverage, a special form endorsement and a determinable cash adjustment clause or a similar clause to permit cash settlement covering full value of the improvements in case of partial destruction and a decision not to rebuild. Earthquake coverage need not be included unless requested in writing by a majority of the Owners other than Declarant. The policy shall be in the amounts as shall be determined by the Board. The policy shall name as insured the Association, the Owners and the Declarant, as long as Declarant is the Owner of a condominium and all institutional Mortgagees as their respective interests may appear, and shall contain a loss payable endorsement in favor of the Trustee or the Board, as applicable.

Section 3. Proceeds Payable to Trustee. All insurance proceeds payable under Section 2 and subject to the rights of Mortgagees under Section 8, shall be paid to a Trustee, to be held and expended for the benefit of the Owners, Mortgagees and others, as their respective interests shall appear pursuant to the Article herein relating to "Destruction of Improvements". The Trustee shall be appointed by the Board and shall be a commercial bank and/or trust company in the county in which the Project is located which agrees in writing to accept such trust. If repair or reconstruction is authorized, the Board shall have the duty to contract for such work as provided for in this Declaration.

Notwithstanding the foregoing, if the proceeds from a single claim do not exceed Twenty Thousand Dollars (\$20,000) such proceeds shall be paid to the Association to be used for repair and reconstruction. If the Board fails to appoint a Trustee, the proceeds shall be paid to the Board.

Section 4. Insurance by Owner. Except as provided in this Section 4., no Owner can separately insure his Unit or any part of it against loss by fire or other casualty covered by an insurance carrier under the fire and extended coverage insurance policy carried by the Association. If any Owner violates this provision, any diminution in insurance proceeds otherwise payable pursuant to the provisions of Section 2. that result from the existence of such other insurance will be chargeable to the Owner who acquired other insurance, and the Owner will be liable to the Association to the extent of any such diminution. An Owner can insure his personal property against loss. In addition, any improvements made by an Owner to the real property within his Unit may be separately insured by the Owner, but the insurance is to be limited to the type and nature of coverage commonly known as tenant's improvements. All such insurance that is individually carried must contain a waiver of subrogation rights by the carrier as to other Owners, the Association and Declarant. An Owner may also carry public liability insurance covering his individual liability for damage to persons or property occurring within his Unit.

Section 5. Fidelity Bonds. The Board shall obtain fidelity bond coverage on behalf of the Association for any person or entity handling funds of the Association, including, but not limited to, officers, directors, trustees, employees and agents of the Association and employees of the professional managing agent of the Association, whether or not such persons are compensated for their services, in an amount not less than the estimated maximum of funds, including reserve funds, in the custody of the Association, as the case may be, at any given time during the term of each bond. However, in no event may the aggregate amount of such bonds be less than a sum equal to one-half (1/2) of the yearly sum of Regular

Monthly Assessments on all condominiums in the Project, plus reserve funds.

Section 6. Additional Insurance. The Board may, and, if required by any Mortgagee, shall purchase and maintain demolition insurance in adequate amounts to cover demolition in case of total or partial destruction and a decision not to rebuild, and a blanket policy of flood insurance. The Board also shall purchase and maintain : worker's compensation insurance, to the extent that it is required by law, for all employees of the Association; errors and omissions insurance for officers and directors of the Association; and any other insurance as it deems necessary.

Section 7. Authority of Board. The Board is appointed attorney in fact by each Owner to negotiate and agree on the value and extent of any loss under any policy carried by the Association. The Board is granted full right and authority to compromise and settle any claim or endorse any claim by legal action or otherwise and to execute releases in favor of any insurer.

Section 8. Rights of Mortgagees. Any Mortgagee has the option to apply insurance proceeds payable on account of a condominium, in reduction of the obligation secured by the mortgage of such Mortgagee.

Section 9. Annual Review by Board. The Board shall determine annually whether the amounts and types of insurance it has obtained provide adequate coverage for the Project, Owners, Mortgagees and the Association. If the Board determines that increased coverage or additional insurance is appropriate, it shall obtain the same.

## ARTICLE IX

### Destruction of Improvements

Section 1. Partial Damage. In the event any improvement or any fixtures or personal property in the Project owned in common are partially destroyed by fire or other casualty, it shall be the duty of the Board to restore and repair the same to its former condition, as promptly as practicable and in a lawful and workmanlike manner. The proceeds of any insurance shall be made available for such purpose, subject to the prior rights of beneficiaries of devices of trust whose interest may be protected by said policies. In the event that the amount available from the proceeds of such insurance policies for such partial reconstruction shall be less than 85% of the cost of the repair or construction and/or in the event such destruction is in an amount equal to 50% or more of the total value of the entire improvements on the Project, the Owners of individual

Units, by vote of the Owners holding 75% of the voting power of each class of membership, in person or by proxy, at a duly constituted meeting, shall determine whether the Board shall be authorized to proceed with such partial reconstruction or not, and in the event of an affirmative vote, a Special Assessment of the Owners may be levied to provide the necessary funds for such reconstruction, over and above the amount of any insurance proceeds available for such purposes. Such assessment shall be assessed against Owners upon the basis of the ratio of the square footage of the floor area of the Unit to be assessed to the total square footage of the floor area of all Units to be assessed. In the event of a determination by the Owners that the cost of such reconstruction would be so substantial that it would not be in their best interests to proceed with the same, the Owners may, in their discretion, proceed as provided hereinafter.

Section 2. Total Destruction. In the event of the total destruction of the improvements on the Property, the Owners, by the requisite vote as set forth in Section 1. above, shall likewise have the authority to determine whether said improvements shall be rebuilt, or whether the Property shall be sold. In the event of the determination to rebuild and if the insurance proceeds shall be insufficient for the same, the necessary funds shall be raised by Special Assessment of the Owners as provided in Section 1. above.

Section 3. Determination to Rebuild. In the event of a destruction, whether partial or total, and in the further event of a reconstruction, the Board shall be authorized to have prepared the necessary plans, specifications and maps, and to execute the necessary documents to effect such reconstruction as promptly as practicable, and in a lawful and workmanlike manner. Such reconstruction shall be in conformity with all applicable governmental regulations. A certificate of the resolution authorizing such reconstruction shall be filed by the Board with the county recorder within six (6) months from the date of such destruction, or if they do not, by any Owner and in the event of the failure to record such certificate within said period, it shall be conclusively presumed that the Owners have determined not to rebuild said improvements.

Section 4. Determination Not to Rebuild. In the event of a determination not to rebuild the Board shall be authorized to have prepared and to have filed, as promptly as practicable, a corrected subdivision map, (approved by the appropriate governmental authorities), converting the Property into an unimproved parcel of land, which shall be offered for sale, at the highest and best price obtainable, either in its damaged condition, or after damaged structures have been razed. The net proceeds of such sale, and the proceeds, if any, of insurance carried by the Owners as a whole on the Property shall be distributed to the Unit Owners in the

proportions in which the fair market value of each condominium bears to the fair market value of all condominiums in the Project, provided that if at the time of distribution there is due and owing any encumbrance on any individual Unit, executed in good faith and for value, the balance of such encumbrance shall first be paid before the distribution of any proceeds to the Owner whose Unit is so encumbered. For purposes hereof, fair market value of the condominiums in the Project shall be determined at the time of the destruction by an independent, qualified and experienced real estate appraiser appointed by the Board of Directors and the cost of such appraisal shall be an expense of the Association. The Board, or any member thereof as shall be designated by the Board, is hereby irrevocably appointed as the attorney in fact for each Unit Owner, to make, execute and deliver on his behalf any and all documents necessary or convenient to effect and complete said sale including, but not limited to deeds, escrow instructions and the like.

In the event of a destruction of the improvements and in the event of a determination not rebuild the same, the Board, or if they do not, any Unit Owner, shall record a sworn declaration with the County Recorder where the Project is located setting forth such decision. The recordation of such declaration shall determine and terminate the title of each Owner of his condominium and such title shall forthwith merge in the interest of each Unit Owner in the Common Area, and forthwith upon such recordation, all Owners shall be and become tenants in common of the entire Project.

Section 5. Repair of Interior Damage. Restoration and repair of the damage to the interior of any individual Unit shall be made by and at the individual expense of the Owner of said Unit and in the event of the determination to rebuild such partial or total destruction, the same shall be completed as promptly as practicable and in a lawful and workmanlike manner.

Section 6. Termination of Covenant Against Partition. Six (6) months from the date of any partial or total destruction, if a certificate of a resolution to rebuild is not filed or recorded as hereinbefore provided, or if reconstruction is not actually commenced within said period, the covenant against partition provided herein shall terminate and be of no further force or effect.

Section 7. Owners Dispute. In the event of a dispute amongst the Owners with reference to the distribution of any of the proceeds received in connection with any damage or destruction of any of the improvements in the Project, or with reference to Special Assessments which may be levied pursuant to the provisions of this Article IX; an Owner or the Board may cause the same to be referred to arbitration in accordance with the then prevailing rules of the

American Arbitration Association and the decision thereof shall be final and conclusive upon all Owners.

## ARTICLE X

### Maintenance and Decoration of Buildings and Units

Section 1. Owners Maintenance. Each Unit Owner shall have the exclusive right and duty, at his sole cost and expense, to maintain, repair, paint, repaint, paper, panel, plaster, tile, wax and finish, refinish or decorate the interior surfaces of the ceilings, floors, doors and perimeter walls of his living unit and enclosed garage (excluding balconies which shall be the obligation of the Association) as well as all glass and window breakage, screens and screen doors, and all permanent fixtures, appliances and equipment, of his Unit, including but not limited to refrigerators, dishwashers, disposals, lighting fixtures, water heaters, ranges or fireplaces located within or connected with his Unit and air conditioning and heating equipment and elements located within a Unit or on the roof thereof and servicing only that Unit; provided, however, nothing in this Article shall be construed as permitting any interference with or damage to the structural integrity of any building. In the event an Owner shall do anything with respect to his Unit or use his Unit in such manner that might have the effect of increasing the level of noise or sounds that can be heard outside of his Unit during his use and occupancy thereof, or which might cause a continual disturbance or annoyance to any other Unit Owner, he shall be required to take at his own expense all reasonable measures to deaden, insulate and otherwise decrease the level of such noise or sounds to the minimum level reasonably possible so as not to cause an interference with the use and enjoyment by other Unit Owners of their Units.

Section 2. Fixtures. Carpets, individual air conditioners, dishwashers, garbage disposals, ranges and ovens which may be physically located within any Unit shall be deemed to be fixtures and attached to the realty, but the upkeep, maintenance, repairs and replacement shall be the responsibility of the Unit Owner and not of the Board. All other furnishings, furniture, drapes and appliances are personal property and shall not, during the term of these restrictions, become a part of the Property.

Section 3. Consent of Architectural Committee for Changes. No Unit Owner shall, at his expense or otherwise, make any structural changes, repairs, or alterations to his Unit or the Common Area or any facilities or structures thereon, without the prior written consent of the Architectural Committee provided for in this Declaration.

Section 4. Liens. No labor performed or services or materials furnished with consent of or at the request of a Unit Owner or his agent or his contractor or subcontractor shall be the basis for the filing of a lien against the Project or against any other condominium or Unit Owner, or against the Common Area, unless such other Unit Owner or the Board, as the case may be, has expressly consented to or requested the performance of such labor or furnishing of such materials or services. Such express consent shall be deemed to have been given by a Unit Owner in the case of emergency repairs thereto, or in the case of a Unit Owner failing to maintain those areas of the Project which he has the primary obligation to maintain hereunder. Labor performed or services or materials furnished for the Common Area, if duly authorized by the Board, shall be deemed to be performed or furnished with the express consent of each Unit Owner. The Unit Owner may remove his condominium from a lien against two or more condominiums, or any part thereof, by payment to the holder of the lien of the fraction of the total sum secured by such lien which is attributable to his condominium.

Section 5. Window Cover. Windows can only be covered by drapes, shades, curtains, or shutters and cannot be painted or covered by foil, cardboard, or other similar materials.

#### ARTICLE XI

##### Use and Occupancy of Units and Common Area

Section 1. Single Family Use. Each condominium shall be used as a residence for a single family and for no other purposes whatsoever. Individual condominiums may not be subdivided nor may parts thereof be sold. No part thereof shall ever be used or allowed to be used directly or indirectly for any business, commercial, manufacturing or mercantile or other non-residential use except condominiums owned by Declarant may be used by Declarant or its designees, as models, sales offices, construction offices and general offices for the purposes of developing, improving and selling condominiums in the Project for a period of two (2) years after the issuance of the Final Subdivision Report for the last Phase of the Project.

Section 2. Rental of Unit. Unit Owners may lease or rent their condominium upon appropriate written notice to the Board of such intent; provided, however, that no Unit Owner shall be permitted to lease his condominium for transient or hotel purposes and no such lease or rental shall be for a period of less than thirty (30) days. Any such lease or rental shall be in writing, shall be in such form as approved by the Board and shall require the tenant thereof to comply in all respects with the Declaration, the By-Laws and all rules and regulations adopted by the Association and any failure by the tenant to so comply shall be a default under said lease or rental.

Section 3. Common Area. Except as otherwise permitted herein, there shall be no obstruction of any portion of the Common Area nor shall anything be stored in the Common Area, even on a temporary basis, without the prior written consent of the Board.

There shall be no use or occupancy of any part of the Common Area, except by the Unit Owner, his family, tenants and guests.

Nothing shall be done or kept in or upon any Unit or in the Common Area, which will increase the rate of insurance, without the prior written consent of the Board. No Unit Owner shall permit anything to be done or kept on or within his Unit or in the Common Area, which will result in the cancelation of insurance on the building or which would be in violation of any governmental statute, ordinance, rule or regulation.

No waste shall be committed in the Common Area and nothing shall be altered, installed or constructed in the Common Area without the consent of the Board.

Section 4. Signs. No sign of any kind shall be displayed on the Common Area, without the prior written consent of the Board, except one professional sign of dignified appearance advertising a condominium for sale or lease, may be placed on the Common Area in such size, location and manner as shall be designated by the Board, and except for signs or other displays used by Declarant, or its agents, in connection with the original or resale of said condominium so long as Declarant shall own a condominium in the Project.

Section 5. External Items. No antennae (television, radio, or of any sort), poles, wires, or other external items shall be located on or outside of any Unit, or in the Common Area, except with the express written consent of the Board, or except as installed by Declarant.

Section 6. Pets. No animals, livestock, or poultry of any kind shall be raised, bred, or kept in or upon any Unit or in the Common Area except upon specific approval of the Board, except that Unit Owner shall be allowed to maintain two (2) usual and ordinary pets (exclusive of tropical fish but including caged birds) so long as said pets do not annoy, molest, or inconvenience any other Unit Owners, guests or other pets and provided that such pet or pets shall, if and when declared to be a nuisance by the Board, forthwith be removed from the Project. Such pets shall not be allowed on the Common Area except as may be permitted by the rules and regulations adopted by the Board. Any inconvenience, damage or injury caused by such household pet or pets shall be the sole responsibility of the respective Owner thereof and said Owner does hereby indemnify the

Association, its Board of Directors, officers and the Manager and its staff and agrees to hold each of them harmless from and against any and all loss, cost, liability and expense of any kind and nature arising out of having pets within the Project.

Section 7. Offensive Activities. No noxious or offensive activity shall be carried on in any Unit or in the Common Area, nor shall anything be done therein which may be or become an annoyance or nuisance. All rubbish, trash and garbage shall be kept only in sanitary containers and shall be regularly removed from the Unit and shall not be allowed to accumulate therein. No Owner of a condominium shall permit or cause any trash or refuse to be kept on any portion of the Common Area except in places specifically designated for such purpose and except on the scheduled day for trash pickup. No exterior clothesline shall be erected or maintained and there shall be no exterior drying or laundering of clothes on balconies, patios or other areas.

Section 8. Structural Changes. Nothing shall be done in any Unit or in or on, or to the Common Area which will impair the structural or esthetic integrity of the buildings or which would structurally alter the buildings, except as is otherwise provided herein.

Section 9. Mineral Exploration. No drilling, oil development, operations, oil refining, quarrying or mining operations of any kind shall be permitted upon or in any Unit or the Common Area or within 500 feet below the surface of the property.

Section 10. Air Space. No development shall be made of the air space above the exterior of any structure or any Unit or in the Common Area except upon the written consent of the Board.

Section 11. Violation of Rules and Laws. There shall be no violation of the rules or regulations for the use of Units or the Common Area as set forth herein or as may be adopted by the Board. There shall be no violation or failure to comply with applicable laws, orders or directives of any lawful authority.

Section 12. Owner Liability. Each Owner shall be liable to the Association for any damage to any portion of the Common Area or the equipment, facilities or structures thereon which may be sustained by reason of the negligence or willful misconduct of said Owner or of his family, relatives, guests, invitees, or tenants, both minor and adult. In the case of joint ownership, the liability of such Owners shall be joint and several. In the event of personal injury or property damage sustained by any person while physically within the Unit of any Owner, and in the further event that any other Owner shall be sued, or a claim made against him or her for said injury or damage, the Owner or Owners of the Unit in which said

injury or damage occurs, shall fully indemnify and hold harmless any such other Owners against whom such claim shall be made, and shall further defend any such other Owners at his or her own expense in the event of litigation of such claim; provided, however, that such protection shall not extend to any other Owner whose own negligence may have caused or contributed to the cause of any such injury or damage.

Section 13. Exemption of Payment of Maintenance Fee. No Unit Owner may exempt himself from liability for his contribution to the maintenance fund by any waiver of the use or enjoyment of the Common Area, or by the abandonment of his condominium.

Section 14. Rights of Declarant. Nothing herein contained shall: (1) prohibit or restrict in any way the right of Declarant to the nonexclusive use of the Common Areas and the facilities thereof for construction, display, and exhibit purposes in connection with the construction and sale of condominiums within the Project including but not limited to the furnishing of unrestricted rights of ingress, egress and parking to prospective purchasers and Declarant's agents, servants and employees; or (2) limit the right of Declarant to complete construction of improvements on the Property or to alter such improvements or to construct such additional improvements as Declarant deems advisable prior to completion and sale of the Project; provided, however, that such use shall not be for a period of more than two (2) years after the conveyance of the first condominium in the last Phase of the Project and Declarant shall not unreasonably interfere with the use of the Common Area by any Owner.

Section 15. Parking and Parking Spaces. No parking space may be sold or assigned to, or retained in the ownership of, any person not a Unit Owner and no parking space may be rented or leased to a non-Unit Owner except in connection with the lease of a condominium. No motorcycle, trailer, camper, mobile home, commercial vehicle, truck (other than a standard size pick-up truck), inoperable automobile, boat or similar equipment shall be permitted to remain upon any area within the Project, unless placed or maintained within an enclosed garage or carport or on the parking site deeded or assigned to a Unit Owner. No repairs shall be made to any automobile or other vehicle while parked in any area in the Project, except in the case of strict emergency.

The Board shall have the authority to tow away and store any vehicle or similar equipment parked in violation of the above restrictions whether the same shall belong to any Owner or a member of his family or to any relative, guest, or invitee of any Owner. Charges for such towing and storing shall be assessed against any Owner who shall violate such restrictions and also against any Owner whose family members, relatives, guests, or invitees may violate the same, and such assessment may be enforced against the

property interest of said Owner or Owners in the same manner as provided hereinabove relative to liens for nonpayment of maintenance charges.

Section 16. Electronic Equipment. No electronic transmitting equipment other than electronic garage door opening devices, if any, and other than electronic transmitting equipment and devices approved by the Board shall be installed and maintained or used within the Project.

## SECTION XII

### Architectural and Design Control

Section 1. Consent of Architectural Committee Required. No unit owner shall, at his expense or otherwise, make any structural changes, repairs, or alterations to his Unit or the Common Area or any facilities or structures thereon, nor shall he make any alterations, additions, improvements, repair, or modifications or changes in paint or finish or color of the Common Area or any facilities or structures thereon; or install awnings or sunshades or perform any landscaping of any kind or character in or on his Unit or any of the Common Area, or make any change, alteration, improvement or repair visible from the exterior of the Units, without the prior written approval of the Architectural Committee. Such approval may be withheld if in the view of the Committee, the installation or improvement would affect the uniformity and the attractiveness or the value of the Project as a whole.

Section 2. Plans and Specifications. Plans and specifications showing the nature, kind, shape, color, size, materials and location of such improvements, alterations, etc., shall be submitted to the Architectural Committee for approval as to quality of workmanship and design and harmony of external design with existing structures, and as to location in relation to surrounding structures and topography. Approval may be withheld if in the view of the Architectural Committee the improvements, installation, etc. would affect the uniformity and the attractiveness or the value of the Project as a whole.

Section 3. Non-Liability of Declarant and Architectural Committee. Neither Declarant, its successors or assigns, nor the Committee, nor any member thereof, shall be held responsible for any loss or damage, nor be liable in any manner whatsoever, for any errors or defects which may or may not be shown on said plans or specifications or on buildings or structures erected, improved or altered in accordance with such plans or specifications or otherwise.

Section 4. Appointment of Architectural Committee. Declarant shall initially appoint the original Architectural

Committee, which shall consist of not less than three (3) nor more than five (5) members. Said members shall all be officers, directors, or employees of Declarant, and shall remain until the first anniversary of the issuance of the Public Report for the Project. Declarant reserves to itself the power to appoint a majority of members of the Committee until ninety percent (90%) of all the Units in the Project have been sold or until the fifth anniversary of the issuance of the Final Public Report, whichever first occurs. Thereafter the Board shall have the power to appoint all of the members of the Committee. Members appointed to the Architectural Committee by the Board shall be from the membership of the Association. Members appointed to the Committee by Declarant may not be Members of the Association.

Section 5. Approval or Disapproval by Architectural Committee. The Committee or the Association shall approve or disapprove a proposed alteration by sending a written notice thereof to the Owner who so requested said proposed alteration. The approval thereof may be recorded in the office of the County Recorder, but such approval shall not have the effect of, or be construed as, in any manner modifying, altering or waiving any of the provisions, covenants, conditions or restrictions set forth herein. The Committee shall make its determination as to approval or disapproval of the proposed alterations within sixty (60) days of the submission of said proposed alteration to the Committee. Failure on the part of the Committee or the Association to record such disapproval or to render a decision within the sixty (60) day period mentioned above, shall be deemed to be a waiver of any and all jurisdiction of said Committee or Association as to said plans and specifications, or either of them, and of said location and/or construction, but nothing contained herein shall be construed as a waiver on the part of the Association or its successors or assigns or any other Owner in the Project, of their right to enforce the conditions recited herein or their right to enforce compliance of any other conditions, restrictions and covenants set forth herein.

Section 6. Fees. The Architectural Committee shall act without compensation but shall be permitted to charge a total fee not to exceed Two Hundred Dollars (\$200.00) for any set of plans which may be submitted to it for approval. In the event the Committee shall be reasonably required to engage a professional consultant to assist it in its determination, the Committee shall first obtain an estimate of the fees to be paid to such consultant and shall notify the Unit Owner of such fees. The Unit Owner shall be required, as a condition to proceeding further, to agree to pay such fees. If the Unit Owner shall not agree to pay such fees, the matter submitted before the Committee shall be deemed to be disapproved unless some alternative method of providing the necessary assistance to the Committee (which is in a form satisfactory to the Committee) shall be provided.

## ARTICLE XIII

### Repair of Common Facilities by Individual Owner and Right of Entry

If any common facility or any portion of the Common Area falls into disrepair or is damaged and the Board fails to take action to repair or restore the same within sixty (60) days after written notice so to do from any Unit Owner, then such Unit Owner may make such repairs as are necessary to insure his enjoyment of his own condominium; provided that such Owner first obtains the approval of Owners holding 51% of the voting power of each class of members. Such Unit Owner shall receive at least two (2) bids before employing any person, firm, or corporation to perform such work. Such Unit Owner may, to the extent necessary, enter on any Unit or any portion of the Common Area to effect such repairs. Any such entry shall be made with as little inconvenience as practicable to the Unit Owners affected, and to the other Unit Owners in their use of the Common Area. Any damage caused thereby shall be forthwith repaired. The Board shall reimburse such Owner undertaking to make such repairs out of the maintenance fund for all reasonable expenses incurred by him in making such repairs, and if such fund be insufficient, shall cause the levy of a Special Assessment.

## ARTICLE XIV

### Utilities

Section 1. Utility Rights. The rights and duties of the Unit Owners with respect to lines for sanitary sewer, water, gas, electricity, telephone cables and heating and air conditioning, shall be governed by the following:

A. Wherever sanitary sewer connections and lines or electricity, gas, telephone lines, heating and air conditioning lines or television cables are installed within the Project, which connections or any portion thereof, lie in or upon portions of the Project owned by others than the Unit Owner of a unit served by said connections, the Unit Owners of any Units served by said connection, shall have the right and are hereby granted an easement, to the full extent necessary therefor, to enter upon such portion of the Project or to have the utility companies enter thereupon to repair, replace and generally maintain said connection as and when the same may be necessary as set forth below.

B. Wherever sanitary sewer connections and lines, facilities, and/or water connections and lines or electricity, gas, telephone lines, air conditioning and heating lines, or

television cables are installed within the Project, which connections serve more than one Unit, the Owners of each Unit served by said connection shall be entitled to the full use and enjoyment of such portions of said connections as services their Unit.

C. In the event any portion of said connection or line is damaged or destroyed through the negligent act or acts or failure to act, the willful misconduct of one Unit Owner or any of his employees, agents, invitees, tenants or guests, so as to deprive other Unit Owners of the full use and enjoyment of said connection or line, then such connection or line shall be repaired or restored by the Association, but at the expense of the Unit Owner who commits or whose guests, agents, or employees commit, such act or acts.

D. In the event any portion of such connection or line is damaged or destroyed by some other cause than the negligence or willful misconduct of one of the Unit Owners, his employees, agents, guests, tenants or invitees (including ordinary wear and tear and deterioration from lapse of time) then in such event, such connection or line shall be repaired and restored by the Board, such repair and restoration to be paid out of the assessments levied in accordance with this Declaration equally, against all Owners.

E. In the event of a dispute between Owners with respect to the repair or rebuilding of said connection or with respect to the sharing of the costs thereof, then upon written request of one of such Owners addressed to the Association, the matter shall be submitted to the Board for a final and binding determination.

Section 2. Utility Easements. Easements through the Units and Common Area for all facilities for the furnishing of utility services, television cable service and heating and air conditioning lines within any Unit, which facilities shall include but not be limited to, conduits, ducts, plumbing and wiring shall be appurtenant to each condominium and all other condominiums and the Common Area shall be subject thereto; provided, however, that easements for such facilities shall, at all times be and remain substantially in accordance with the initial construction of the Project or the Project as reconstructed upon damage or destruction pursuant to the terms of this Declaration.

## ARTICLE XV

### Entry for Repairs

The Board or its designated agents may enter upon any Unit when necessary in connection with any maintenance or construction for

which the Board is responsible, or for any maintenance required by reason of the failure of the Unit Owner to maintain as provided herein, or to abate any nuisance being conducted or maintained therein. Such entry shall be made with as little inconvenience to the Unit Owners as practicable, and any damage caused thereby shall be repaired by the Board at the expense of the maintenance fund. There is hereby reserved to Declarant and the Board, for the benefit of each Unit Owner, easements over each Unit and the Common Area, for the purpose of maintenance and repairs and such further purposes as are necessary to perform the duties and obligations of the Board and the Association.

## ARTICLE XVI

### Covenant Against Partition

By acceptance of his deed, each Unit Owner shall be deemed to covenant and agree for himself and his heirs, personal representatives, successors and assigns, that there shall be no judicial partition of the Common Area and the same shall remain undivided, nor shall Declarant or any person acquiring any interest in the Project or any part thereof, seek any such judicial partition until the structures on the Property are totally or partially destroyed and the Owners shall elect not to rebuild as hereinabove provided. Each person acquiring any interest in the Project shall by such acquisition be deemed to have waived any right to partition of the subdivided property, except only as herein provided. Notwithstanding the foregoing, if any condominium shall be owned by two or more co-tenants in common or as joint tenants, nothing herein contained shall be deemed to prevent a judicial partition of such condominium as between such co-tenants.

No Unit Owner may sell or convey all or part of his undivided interest in any of the Common Area, except in conjunction with the sale of his condominium nor may he encumber any part or all of his undivided interest in the Common Area except in conjunction with an encumbrance of his condominium.

Partition may be had upon a showing of any of the conditions specified in Section 1354 of the Civil Code of the State of California.

## ARTICLE XVII

### Structural Alterations

A proposal for any structural alteration or addition to structures in the Project may be made at any regular or special meeting of the Voting Owners, provided that said proposal shall be

accepted only upon the affirmative vote of Owners holding at least sixty-six and two-thirds percent (66-2/3%) of the voting power of the membership. Unless otherwise agreed at the meeting of the Voting Owners approving said proposal, the cost of the alteration or addition so approved shall be paid from the maintenance fund and the Board shall levy a Special Assessment to cover said cost.

## ARTICLE XVIII

### Encroachment

Each condominium within the Project is hereby declared to have an easement over all adjoining condominiums for the purpose of accommodating any encroachment due to engineering errors, errors in original construction, settlement or shifting of any building, or any other cause. There shall be valid easements for the maintenance of said encroachments so long as they shall exist, and the rights and obligations of Owners shall not be altered in any way by said encroachment, settlement, or shifting; provided, however, that in no event shall a valid easement for encroachment be created in favor of an Owner or Owners if said encroachment occurred due to the willful misconduct of said Owner or Owners. In the event a structure is partially or totally destroyed, and then repaired or rebuilt, the Owners of each condominium agree that minor encroachments over adjoining condominiums shall be permitted and that there shall be valid easements for the maintenance of said encroachments so long as they shall exist.

If any portion of the Common Area encroaches upon a Unit or Units, a valid easement for the encroachment and for the maintenance of same, so long as it stands, shall and does exist. In the event a multi-family structure is partially or totally destroyed, and then rebuilt, the Unit Owners agree that minor encroachments of parts of the Common Area due to construction shall be permitted and that valid easements for said encroachment and the maintenance thereof shall exist.

The Common Area is and shall always be subject to easements for minor encroachments thereon of the Units.

## ARTICLE XIX

### Common Area Easements

Every Owner of a condominium shall have a non-exclusive easement of use and enjoyment in, to and throughout the Common Area of the Project and for ingress, egress and support over and through the Common Area. Such non-exclusive easements shall be appurtenant to each condominium and the Common Area but shall be subordinate to,

and shall not interfere with, exclusive easements appurtenant to condominiums over the Common Area, if any. Each such easement shall be appurtenant to and pass with the title to every condominium, subject to the following rights and restrictions:

A. The right of the Association to limit the number of guests, and to adopt Association rules and regulations regulating the use and enjoyment of the Common Area.

B. The right of the Association to charge reasonable admission and other fees for any recreational facility situated on the Common Area.

C. The right of the Association to borrow money to improve the Common Area.

D. The right of the Association to assign, rent, license, or otherwise designate and control use of unassigned parking and storage spaces within the Common Area (other than those portions subject to exclusive easements appurtenant to condominiums, if any).

E. The right of Declarant or its designees to enter on the Project to construct the Project and to make repairs and remedy construction defects if such entry shall not interfere with the use of any occupied Unit unless authorized by the Unit Owner.

F. The right of the Association, or its agents, to enter any Unit to perform its obligations under this Declaration.

## ARTICLE XX

### Condemnation

Section 1. Action for Condemnation. In the event that an action for condemnation of all or a portion of the Project is proposed or threatened by any governmental agency having the right of eminent domain, then, upon unanimous written consent of all of the Owners, and the lenders and Mortgagees affected, as their interests may appear, the Project, or such portion thereof, may be sold. Written notice of any threatened or proposed condemnation shall be given in writing by the Association to each Mortgagee of record within ten (10) days after the same becomes known to the Association.

Section 2. Distribution of Proceeds. Upon a sale occurring as described in Section 1. hereof, the proceeds resulting therefrom shall be distributed to the Owner or Owners and their Mortgagees, as their interests may appear, in the proportions in which the fair market value of each condominium bears to the fair market value of all condominiums in the Project. For purposes

hereof, fair market value of the condominiums in the Project shall be determined by an independent, qualified and experienced real estate appraiser appointed by the Board of Directors and the cost of such appraisal shall be an expense of the Association. In the event of the occurrence of a disagreement within ninety (90) days after the proceeds of sale become available for distribution, the matter shall be referred to arbitration in accordance with the then rules of the American Arbitration Association.

In the event the Project, or such portion thereof, is not sold but is instead taken, the judgment of condemnation shall by its terms apportion the award among the Owners and their respective lenders and Mortgagees, as their interests may appear, as provided above.

Section 3. Revival of Right to Partition. Upon a sale or taking pursuant hereto, which renders more than fifty percent (50%) of the Units in the Project uninhabitable, the right of any Owner to partition through legal action shall forthwith revoke.

## ARTICLE XXI

### Protection of Mortgagees

Section 1. Subordination of Liens. Any lien created or claimed under the provisions of this Declaration is expressly made subject and subordinate to the rights of any first mortgage that encumbers all or a portion of the Project, or any condominium, made in good faith and for value, and no such lien shall in any way defeat, invalidate, or impair the obligation or priority of such mortgage unless the Mortgagee expressly subordinates his interest, in writing, to such lien.

Section 2. Material Amendments. The prior written consent of seventy-five percent (75%) of the first Mortgagees shall be required to any material amendment to this Declaration, to the Articles, or to the By-Laws. The term "material amendment" is defined to mean amendments to provisions of any such documents governing the following subjects:

A. The percentage interest of the Unit Owners in the Common Area of the Project.

B. The fundamental purpose for which the Project was created (such as a change from residential use to a different use).

C. Voting.

D. Assessments, assessment liens and subordinations thereof.

E. The reserve for repair and replacement of the Common Area.

F. Property maintenance obligations.

G. Casualty and liability insurance.

H. Reconstruction in the event of damage or destruction.

I. Rights to use the Common Area.

J. Annexation.

K. Any provision, which by its terms, is specifically for the benefit of first Mortgagees, or specifically confers rights on first Mortgagees.

Section 3. Required Consent of Mortgagees. Except as provided by statute in case of condemnation or substantial loss of the Units and/or the Common Areas of the condominium project, unless at least seventy-five percent (75%) of the first Mortgagees (based upon one vote for each mortgage owned) of the individual condominiums have given their prior written approval, neither the Association nor the Owners shall be entitled:

A. By act or omission to seek to abandon or terminate the Project, except for abandonment provided by statute in case of substantial loss to the Units and Common Area;

B. To change the pro rata interest or obligations of any condominium for purposes of levying assessments or charges or allocating distributions of hazard insurance proceeds or condemnation awards or for determining the pro rata share of ownership of each condominium in the Common Area;

C. To partition or subdivide any condominium;

D. By act or omission to seek to abandon, partition, subdivide, encumber, sell or transfer the Common Area. The granting of easements for public utilities or for other public purposes consistent with the intended use of the Common Area by the Association or the Owners shall not be deemed a transfer within the meaning of this clause;

E. To use hazard insurance proceeds for losses to Units or Common Area in the Project for other than the

repair, replacement, or reconstruction of improvements, except as provided by statute in case of substantial loss to the Units or Common Area of the Project;

F. To terminate professional management (but only if such professional management is required by any Mortgagee or by the guarantor, insurer, or subsidizor of any Mortgagee) and assume self control of the Project.

Section 4. Examination of Books and Records by Mortgagees. First Mortgagees can examine the books and records of the Association and can require the submission of financial data concerning the Association or the Project, including annual audit reports and operating statements as furnished to the Owners.

Section 5. Priority of First Mortgagees - Insurance Proceeds and Condemnation Awards. No Unit Owner, or any other party, shall have priority over any right of first Mortgagees of condominiums pursuant to their mortgages in case of a distribution to Unit Owners of insurance proceeds or condemnation awards for losses to or a taking of Units or Common Area. Any provision to the contrary in this Declaration or in the By-Laws or other documents relating to the Project is to such extent void. All applicable fire and all physical loss or extended coverage insurance policies shall contain loss payable clauses acceptable to the affected Mortgagees naming the Mortgagees, as their interests may appear.

Section 6. Notice to Mortgagees of Loss and Default. On any loss or any Unit covered by a mortgage, if such loss exceeds One Thousand Dollars (\$1,000), or on any loss to the Common Area, if such loss exceeds Ten Thousand Dollars (\$10,000), or on any taking of the Common Area, notice in writing of such loss or taking shall be given to each Mortgagee of record. If any Owner of a condominium is in default under any provision of these covenants, conditions and restrictions, or under any provision of the By-Laws or the rules and regulations adopted by the Association, which default is not cured within sixty (60) days after written notice to such Owner, the Association shall give to the Mortgagee of record of such Owner written notice of such default and of the fact that said sixty (60) day period has expired, provided such Mortgagee shall have requested such notice.

Section 7. Effect of Foreclosure by First Mortgagee.

A. No breach of any provision of these covenants, conditions and restrictions shall invalidate the lien of any first mortgage in good faith and for value, but all of the covenants, conditions and restrictions shall be binding on any Owner whose title is derived through foreclosure sale, trustee's sale, or otherwise.

B. If any condominium is encumbered by a first mortgage made in good faith and for value, the foreclosure of any lien created by any provision set forth in this Declaration for assessments, or installments of assessments shall not operate to affect or impair the lien of the mortgage. On exercise of power of sale or judicial foreclosure of the first mortgage, the lien for assessments, or installments that has accrued up to the time of foreclosure shall be subordinate to the lien of the mortgage, with the foreclosure-purchaser taking title to the condominium free of the lien for assessments, or installments that has accrued up to the time of the foreclosure sale. On taking title to the condominium, the foreclosure-purchaser shall only be obligated to pay assessments or other charges levied or assessed by the Association after the foreclosure-purchaser acquired title to the condominium. The subsequently levied assessments or other charges may include previously unpaid assessments provided all Owners, including the foreclosure-purchaser, and his successors and assigns, are required to pay their proportionate share as provided in this Article.

C. Any Mortgagee who acquires title to a condominium by foreclosure or by deed in lieu of foreclosure or assignment in lieu of foreclosure shall not be obligated to cure any breach of this Declaration that is non-curable or of a type that is not practical or feasible to cure.

D. Any mortgage given to secure a loan to facilitate the resale of a condominium after acquisition by foreclosure or by a deed in lieu of foreclosure or by assignment in lieu of foreclosure shall be deemed to be a loan made in good faith and for value and entitled to all of the rights and protections of this Article.

Section 8. Mortgagee's Attendance at Meetings. Because of its financial interest in the Project, any Mortgagee may appear (but cannot vote) at meetings of the Members and the Board to draw attention to violations of this Declaration that have not been corrected or made the subject of remedial proceedings or assessments or for any other purpose. Written notice of any or all meetings of the Members and the Board will be provided to any Mortgagee upon its request.

Section 9. Providing Information to Board. Any Mortgagee can furnish information to the Board concerning the status of any mortgage.

Section 10. Restriction on Right of First Refusal. No right of first refusal or similar restriction on the right of an Owner to sell, transfer or otherwise convey the Owner's condominium

shall be granted to the Association without the consent of any Mortgagee, of the condominium. Any right of first refusal or option to purchase a condominium that may be granted to the Association (or other person, firm or entity) shall not apply to any conveyance or transfer of title to such condominium, whether voluntary or involuntary, to a Mortgagee which acquires title to or ownership of the condominium pursuant to the remedies provided in its mortgage or by reason of foreclosure of the mortgage or deed (or assignment) in lieu of foreclosure.

Any right of first refusal shall not impair the rights of a first Mortgagee to: (a) foreclosure or take title to a condominium pursuant to the remedies provided in the mortgage; (b) accept a deed (or assignment) in lieu of foreclosure in the event of default by a Mortgagor; or (c) sell or lease a condominium acquired by the first Mortgagee.

Section 11. Termination of Certain Contracts. Any contract for professional management of the Project, or any other contract providing for services by Declarant shall provide for termination by either party without cause or payment of a termination fee on ninety (90) days or less written notice and the term of such contract shall not exceed three (3) years. Such contracts shall also provide for termination for cause upon no more than thirty (30) days written notice.

Section 12. Tax Liens. All taxes, assessments and charges which may become liens prior to the first mortgage under the local law, shall relate only to the individual condominiums and not to the Project as a whole.

Section 13. Reserves for Maintenance. Assessments on condominiums shall include an adequate reserve for maintenance, repairs and replacement of the Common Area facilities that must be replaced on a periodic basis, and shall be payable in regular installments rather than by Special Assessments.

Section 14. Conflict. If there is any conflict between any Section of this Article XXI and any other provision of this Declaration, or the By-Laws of the Association, the language contained in this Article XXI shall control.

## ARTICLE XXII

### Amendments

Section 1. Prior to Sale of a Unit. Before the close of the first sale in the Project to a purchaser other than Declarant, this Declaration and any amendments to it may be amended in any respect, or revoked by the execution by Declarant of an instrument

amending and revoking this Declaration. The amending or revoking instrument shall make appropriate reference to this Declaration and its amendments and shall be acknowledged and recorded in the office of the County Recorder where the Project is located.

Section 2. After Sale of a Unit. After the close of the first sale of a condominium in the Project to a purchaser other than Declarant, this Declaration may be amended or revoked in any respect as follows: (1) If a two class voting structure is still in effect in the Association, this Declaration may be amended only with the vote or written consent of Members entitled to cast at least seventy-five percent (75%) of the voting power of each class of members in the Association; (2) if a two class voting structure is no longer in effect in the Association because of the conversion of Class B membership to Class A membership as provided herein, this Declaration may be amended only with the vote or written assent of: (i) Members holding seventy-five percent (75%) of the voting power of the Association; and (ii) Members holding seventy-five percent (75%) of the voting power held by Members other than Declarant.

Notwithstanding the foregoing, if any provision of this Declaration requires a greater or lesser percentage of the voting rights of any class of Members in order to take affirmative or negative action under such provision the same percentage of such class or classes of Members shall be required to amend or revoke such provision. Also, if the consent or approval of any governmental authority, Mortgagee or other person, firm, agency or entity is required under this Declaration with respect to any amendment or revocation of any provision of this Declaration, no such amendment or revocation shall become effective unless such consent or approval is obtained. Any amendment or revocation subsequent to the close of such first sale need only be evidenced by an instrument certified by the secretary or other duly authorized officer of the Association and shall make appropriate reference to this Declaration and its amendments and shall be acknowledged and recorded in the office of the County Recorder where the Project is located.

Section 3. Compliance with Law. All amendments or revocations of this Declaration shall comply with the provisions of California Business and Professions Code Section 11018.7 to the extent said Section is applicable.

Section 4. Presumption of Validity. Any amendments or revocations in accordance with the terms of this Declaration shall be presumed valid by anyone relying on them in good faith.

#### ARTICLE XXIII

##### Enforcement

Each and every covenant, conditions, restriction and easement herein contained and in the By-Laws, Articles of

Incorporation and rules and regulations shall be for the benefit of any and all persons who now own or who may hereafter own any portion of the Project, and all such persons are specifically given the right to enforce the same at law or in equity, and upon the filing of any action to enforce the same, judgment may be given for attorneys fees against the party found to be in breach in favor of the party seeking enforcement. Enforcement of these covenants and restrictions, the By-Laws, Articles of Incorporation and any rules and regulations may be sought by the Association or any Unit Owner and shall be by any proceeding at law or in equity against any person or persons violating or attempting to violate any covenant or restriction, either to restrain violation by way of injunctive relief or to recover damages, and against the land to enforce any lien created by these covenants, and failure by Declarant, the Board or any Unit Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter, nor shall any such failure to enforce the same or any other violation of such covenants or restrictions impair or invalidate the lien of any first mortgage or first deed of trust.

#### ARTICLE XXIV

##### Term

Except in the event of earlier termination as provided above, the covenants, conditions and restrictions of this Declaration shall run with and bind the Project, and shall inure to the benefit of and be enforceable by Declarant, the Board, or the Owner of any condominium subject to this Declaration, their respective legal representatives, heirs, successors and assigns, for a term of forty (40) years from the date this Declaration is recorded, after which time said covenants, conditions and restrictions shall be automatically extended for successive periods of ten (10) years, unless an instrument signed by Unit Owners holding a majority of the voting power of the Association has been recorded within one (1) year prior to the termination of the forty (40) year period or within one (1) year prior to the termination of any successive ten (10) year period, agreeing to terminate said covenants, conditions and restrictions, in whole or in part.

#### ARTICLE XXV

##### Enforcement of Bonded Obligations

If Common Area improvements which are included in the subdivision offering covering this Project have not been completed prior to the issuance of a Final Subdivision Report and the Association is an obligee under a bond or other arrangement (hereinafter referred to as the "Bond") to secure performance of the

commitment of the Declarant pursuant to such subdivision offering to complete the improvements, then the following substantive and procedural provisions relative to the initiation of action to enforce the obligations of such Declarant and the surety under the Bond shall govern:

A. The Board of Directors of the Association shall consider and vote on the question of action by the Association to enforce the obligations under the Bond with respect to any improvement for which a Notice of Completion has not been filed within sixty (60) days after the completion date specified for that improvement in the Planned Construction Statement appended to the Bond. If the Association has given an extension in writing for the completion of any improvement to the Common Area, the Board shall consider and vote on the aforesaid question if a Notice of Completion has not been filed within thirty (30) days after the expiration of the extension.

B. A special meeting of Members of the Association for the purpose of voting to override a decision by the Board not to initiate action to enforce the obligations under the Bond or on the failure of the Board to consider and vote on the question may be held. Said special meeting shall be held not less than thirty-five (35) days nor more than forty-five (45) days after receipt by the Board of a petition for such meeting signed by Members representing five percent (5%) of the total voting power of the Association.

C. At any special meeting called for the purpose set forth in Subparagraph B. above, the vote shall be by Members of the Association other than Declarant.

D. A vote of a majority of the Members of the Association who reside in the Project, other than the Declarant, to take action to enforce the obligations under the Bond shall be deemed to be the decision of the Association and the Board shall thereafter implement this decision by initiating and pursuing appropriate action in the name of the Association.

## ARTICLE XXVI

### General Provisions

Section 1. Interpretation and Severability. The provisions of this Declaration shall be liberally construed to effectuate its purpose of creating a uniform plan for the development and operation of the Project. The provisions hereof shall be deemed independent and severable, and the invalidity or partial invalidity or unenforceability of any one provision shall not affect the validity or enforceability of any other provision hereof.

Section 2. Notices. Any notice permitted or required to be delivered as provided herein may be delivered either personally or by mail. If delivery is made by mail, the same shall be deemed to have been delivered forty-eight (48) hours after a copy of the same has been deposited in the United States mail, certified mail, return receipt requested, postage prepaid, addressed to each such person at the address given by such person to the Board for the purpose of service, or to such person's unit, if no address has been given to the Board. An address may for any reason be changed from time to time by notice in writing to the Board.

Section 3. Violation Deemed a Nuisance. Every act or omission in violation of any covenant, condition, or restriction herein set forth shall constitute a nuisance, and in addition to the legal remedies hereinbefore set forth, may be abated or enjoined by any Owner or any member of the Board.

Section 4. Successors and Assigns. This Declaration shall be binding upon and shall inure to the benefit of the heirs, personal representatives, successors and assigns, grantees and lessees of the Declarant and each Unit Owner. This Declaration shall run with the land, and shall continue in full force and effect until (i) terminated by a court of competent jurisdiction pursuant to law, or (ii) in the event of the total destruction of the improvements on the Property and a subsequent determination of the Owners not to rebuild the same, or a total abandonment of said improvements by the Owners, or as hereafter provided. Each purchaser by accepting a deed or valid contract of sale to any individual condominium, accepts the same subject to all the covenants, conditions and restrictions herein contained, and agrees to be bound by each and all thereof. Failure to enforce any provision hereof shall not constitute a waiver of the right to enforce said provision thereafter.

Section 5. No Restrictions for Race, Color or Creed. No Owner shall execute or file for record any instrument which imposes a restriction upon the sale, leasing, or occupancy of his condominium on the basis of race, color or creed.

Section 6. Cumulative Remedies. Each remedy provided for in this Declaration shall be cumulative and not exclusive.

Section 7. Notice of Sale or Lease of Condominium. Within five (5) business days after the consummation of the sale, transfer or lease of any condominium under circumstances whereby the transferee becomes an Owner or lessee thereof, the transferee, or the Owner in the case of a lease, shall notify the Board in writing of such sale or lease. Such notification shall set forth (i) the names of the transferee or lessee and his transferor or lessor, (ii) the

street address or unit number of the condominium purchased or leased by the transferee, (iii) the number and names of all persons and the ages of all minors who intend to occupy said Unit, (iv) transferee's mailing address, and (v) the date of sale or lease. Prior to receipt of such notification, any and all communications required or permitted to be given by Declarant, the Board or the Architectural Committee or any agent or representative thereof shall be deemed to be duly made and given to the transferee if duly and timely made and given to said transferee's transferor or lessor.

Section 8. Gender. The singular shall include the plural and the plural the singular unless the context requires the contrary and the masculine, feminine and neuter shall include the masculine, feminine or neuter as the context requires.

## ARTICLE XXVI

Such manager shall be experienced in the management of condominium projects.

## ARTICLE XXVII

### Annexation of Additional Properties

Additional properties may be annexed to and become subject to this Declaration by any of the methods set forth hereinbelow:

Section 1. With Approval of Association. Upon written approval of the Association pursuant to a vote of seventy-five percent (75%) of the Unit Owners or the written consent of such Owners, excluding the vote or written consent of Declarant, the Owner of any property who desires to add it to the scheme of this Declaration and to subject it to the jurisdiction of the Association may file of record a supplementary Declaration as described in Section 3. thereof.

Section 2. Without Approval of Association. All or any part of the real property described in Exhibit "B" attached hereto may be annexed from time to time, to the Project and added to the scheme of this Declaration, and subject to the jurisdiction of the Association without the assent of the Association or its Members, provided and on condition that:

A. Any annexation pursuant to this Article shall be made prior to the third anniversary of the original issuance of the most recently issued Public Report for a phase in the Project.

B. A supplementary Declaration, as described in Section 3. hereinbelow shall be recorded, covering the applicable portion of the real properties described in Exhibit "B".

Section 3. Supplementary Declaration. The additions, authorized under the foregoing Sections shall be made by filing of record a Supplementary Declaration of Covenants, Conditions and Restrictions or similar instrument, with respect to the additional properties which shall extend the scheme of this Declaration to such properties. Such Supplementary Declaration as contemplated above, may contain such additions and modifications of the covenants and restrictions contained herein as may be necessary to reflect the different character, if any, of the added properties and as are not inconsistent with the scheme of this Declaration. In no event, however, shall any such Supplementary Declaration revoke, modify, or add to the covenants established by this Declaration within the existing property, except as hereinabove provided.

Section 4. Deannexation. Declarant may delete all or a portion of a Phase of the property from coverage of this Declaration and the jurisdiction of the Association, so long as Declarant is the owner of all of such Phase, and provided that (1) a Notice of Deletion is recorded in the same manner as the applicable Supplementary Declaration was recorded, (2) Declarant has not exercised any Association vote with respect to any portion of such Phase; (3) assessments have not yet commenced with respect to any portion of such Phase, (4) close of escrow has not occurred for the sale of any condominium in such Phase, and (5) the Association has not made any expenditures or incurred any obligations with respect to any portion of such Phase of the property.

In the event any improvements or any fixtures or personal property in the Project owned in common are partially destroyed by fire or other casualty, or by partial condemnation, it shall be the duty of the Board to restore and repair the same to its former condition, as promptly as practicable and in a lawful and workmanlike manner. The proceeds of any insurance shall be made available for such purpose, subject to the prior rights of beneficiaries of deeds of trust whose interest may be protected by said policies. In the event that the amount available from the proceeds of such insurance policies for such partial reconstruction shall be less than 85% of the cost of the repair or construction and/or in the event such destruction is in an amount equal to 50% or more of the total value of the entire improvements on the Project, the Owners of individual Units, by vote of the Owners holding 75% of the voting power of each class of membership, in person or by proxy, at a duly constituted meeting, shall determine whether the Board shall be authorized to proceed with such partial reconstruction or not, and in the event of an affirmative vote, a Special Assessment of the Owners may be levied to provide the necessary funds for such reconstruction, over and above the amount of any insurance proceeds available for such purposes. Such assessment shall be assessed against Owners upon the basis of the ratio of the square footage of the floor area of the Unit to be assessed to the total square footage of the floor area of all Units to be assessed. In the event of a determination by the Owners that the cost of such reconstruction would be so substantial that it would not be in their best interests to proceed with the same, the Owners may, in their discretion, proceed as provided hereinafter."

In the event of a destruction, whether partial or total, and whether by fire or other casualty or partial condemnation, and in the further event of a reconstruction, the Board shall be authorized to have prepared the necessary plans, specifications and maps, and to execute the necessary documents to effect such reconstruction as promptly as practicable, and in a lawful and workmanlike manner. Such reconstruction shall be in conformity with all applicable governmental regulations. A certificate of the resolution authorizing such reconstruction shall be filed by the Board with the county recorder within six (6) months from the date of such destruction, or if they do not, by any Owner and in the event of the failure to record such certificate within said period, it shall be conclusively presumed that the Owners have determined not to rebuild said improvements. 23. Section 4. of Article IX is hereby amended in its entirety to read as follows:

"Section 4. Determination Not to Rebuild. In the event of a determination not to rebuild, the Board shall be authorized to have prepared and to have filed, as promptly as practicable, a corrected subdivision map, (approved by the appropriate governmental authorities), converting the Property into an unimproved parcel of land, which shall be offered for sale, at the highest and best price obtainable, either in its damaged condition, or after damaged structures have been razed. The net proceeds of such sale, and the proceeds, if any, of insurance carried by the Owners as a whole on the Property shall be distributed to the Unit Owners in the proportions in which the fair market value of each condominium bears to the fair market value of all condominiums in the Project, provided that if at the time of distribution there is due and owing any encumbrance on any individual Unit, executed in good faith and for value, the balance of such encumbrance shall first be paid before the distribution of any proceeds to the Owner whose Unit is so encumbered. For purposes hereof, fair market value of the condominiums in the Project shall be determined at the time of the destruction by an independent, qualified and experienced real estate appraiser appointed by the Board of Directors and the cost of such appraisal shall be an expense of the Association. The Board, or any member thereof as shall be designated by the Board, is hereby irrevocably appointed as the attorney in fact for each Unit Owner, with the exception of the Administrator of Veteran Affairs, an officer of the United States of America, to make, execute and deliver on his behalf any and all documents necessary or convenient to effect and complete said sale including, but not limited to deeds, escrow instructions and the like.

In the event of a destruction of the improvements and in the event of a determination not to rebuild the same, the Board, or if they do not, any Unit Owner, shall record a sworn declaration with the County Recorder where the Project is located setting forth such decision. The recordation of such declaration shall determine and terminate the title of each Owner of his condominium and such title shall forthwith merge in the interest of each Unit Owner in the Common Area, and forthwith upon such recordation, all Owners shall be and become tenants in common of the entire Project."

24. Section 1 of Article XI is hereby amended by adding the following sentence thereto:

In the case of joint ownership, the liability of such Owners shall be joint and several. In the event of personal injury or property damage sustained by any person while physically within the Unit of any Owner, and in the further event that any other Owner shall be sued, or a claim made against him or her for said injury or damage, the Owner or Owners of the Unit in which said injury or damage occurs, shall fully indemnify and hold harmless any such other Owners against whom such claim shall be made, and shall further defend any such other Owners at his or her own expense in the event of litigation of such claim; provided, however, that such protection shall not extend to any other Owner whose own negligence may have caused or contributed to the cause of any such injury or damage."

### "ARTICLE XIII

#### Repair of Common Facilities by Individual Owner and Right of Entry

If any common facility or any portion of the Common Area falls into disrepair or is damaged and the Board fails to take action to repair or restore the same within sixty (60) days after written notice so to do from any Unit Owner, then such Unit Owner may make such repairs as are necessary to insure his enjoyment of his own condominium; provided that such Owner first obtains the approval of Owners holding 51% of the voting power of each class of members.

Such Unit Owner shall receive at least two (2) bids before employing any person, firm, or corporation to perform such work. Such Unit Owner may, to the extent necessary, enter on any Unit or any portion of the Common Area to effect such repairs. Any such entry shall be made with as little inconvenience as practicable to the Unit Owners affected, and to the other Unit Owners in their use of the Common Area. Any damage caused thereby shall be forthwith repaired by the entering party. The Board shall reimburse such Owner undertaking to make such repairs out of the maintenance fund for all reasonable expenses incurred by him in making such repairs, and if such fund be insufficient, shall cause the levy of a Special Assessment."

28. There is hereby added to Article XVI, the following paragraph:

"The Association is hereby granted an irrevocable power of attorney to sell the Condominium property for the benefit of all the Owners thereof when the partition of the Owners' interests in said Condominium property may be had pursuant to Section 1354 of the Civil Code as noted above. The power of attorney herein granted may be exercised upon the vote or written consent of Owners holding in the aggregate at least two-thirds (2/3) of the interest in the Common Area by any two (2) members of the Board who are hereby authorized to record a Certificate of Exercise in the Office of the County Recorder, where the Project is located, which certificate shall be conclusive evidence thereof in favor of any person relying thereon in good faith; provided, however, that said power of attorney shall not apply to the Administrator of Veterans Affairs, an officer of the United States of America."

29. Subsection E. of Article XIX is hereby amended by adding the following sentence thereto:

"Such entry shall be made with as little inconvenience to the Owner as possible and any damage caused thereby shall be repaired by the Declarant. Further, such entry for other than emergency repairs shall be made only after not less than three (3) days notice has been given to the Owner."

30. Article XX is hereby amended in its entirety to read as follows:

## "ARTICLE XX

### Condemnation

Section 1. Action for Condemnation. In the event that an action for condemnation of all or a portion of the Project is proposed or threatened by any governmental agency having the right of

eminent domain, then, upon unanimous written consent of all of the Owners, and the lenders and Mortgagees affected, as their interests may appear, the Project, or such portion thereof, may be sold by the Board acting as irrevocable attorney-in-fact of all the Owners for a price deemed fair and equitable by the Board. Written notice of any threatened or proposed condemnation shall be given in writing by the Association to each Mortgagee of record within ten (10) days after the same becomes known to the Association.

Section 2. Distribution of Proceeds. Upon a sale occurring as described in Section 1. hereof, the proceeds resulting therefrom shall be distributed to the Association or any trustee appointed by the Board, for the use and benefit of the Owners and their Mortgagees, as their interests may appear, in the proportions in which the fair market value of each condominium bears to the fair market value of all condominiums in the Project. For purposes hereof, fair market value of the condominiums in the Project shall be determined by an independent, qualified and experienced real estate appraiser appointed by the Board of Directors and the cost of such appraisal shall be an expense of the Association. In the event of the occurrence of a disagreement within ninety (90) days after the proceeds of sale become available for distribution, the matter shall be referred to arbitration in accordance with the then rules of the American Arbitration Association.

In the event the Project, or such portion thereof, is not sold but is instead taken, the judgment of condemnation shall by its terms apportion the award among the Owners and their respective lenders and Mortgagees, as their interests may appear, as provided above.

Section 3. Revival of Right to Partition. Upon a sale or taking pursuant hereto, which renders more than fifty percent (50%) of the Units in the Project uninhabitable, the right of any Owner to partition through legal action shall forthwith revive."

P. Amendments involving matters set forth in subparagraphs A, B, C and K shall require the consent of all Unit Owners.

An addition or amendment to the Declaration, the Articles or to the By-Laws shall not be considered material if it is for the purpose of correcting technical errors, or for clarification only. An Eligible Mortgage Holder who receives a written request to approve additions or amendments, who does not deliver or post to the requesting party a negative response within thirty (30) days shall be deemed to have approved such request."

32. Subsection A. of Section 3 of Article XXI is hereby amended in its entirety to read as follows:

Any contract for professional management of the Project, or any other contract providing for services by Declarant shall provide for termination by either party without cause or payment of a termination fee on ninety (90) days or less written notice and the term of such contract shall not exceed three (3) years. Such contracts shall also provide for termination for cause upon no more than thirty (30) days written notice. Such agreement shall be renewable with the consent of the Board and the management agent. No contract with the Association negotiated by Declarant shall exceed a term of one (1) year."

36. Article XXI is hereby amended by adding the following Sections 15. and 16. thereto:

In furtherance of that intent, Declarant expressly reserves the right and shall be entitled by unilateral amendment of the Declaration so long as Declarant owns more than twenty-five percent (25%) of the Condominiums in the Project to amend this Declaration in order to incorporate any provisions or to enter into any agreement on behalf of and in the name of the Association that are, in the opinion of any of the cited entities or governmental agencies, required to conform the Declaration, the Articles, the By-Laws or the Project to the requirements of any of the entities or governmental agencies, including without limitation, the execution on behalf of and in the name of the Association of a regulatory agreement between the Association and the Federal Housing Commissioner and any other agreement sufficient to satisfy the requirements for mortgage purchase, guarantee or insurance by any of said entities or agencies. The Board and each Owner shall take any action or shall adopt any resolutions required by Declarant or any Mortgagee to conform this Declaration or the Project to the requirements of any of said entities or agencies.

Section 6. Approval of VA and FHA. So long as there is a Class B membership in the Association, any amendment to this Declaration, shall require the prior approval of the VA and FHA. A draft of any amendment should be submitted to the VA and FHA for their approval prior to the recordation of the amendment."

Each purchaser by accepting a deed or valid contract of sale to any individual condominium, accepts the same subject to all the covenants, conditions and restrictions herein contained, and agrees to be bound by each and all thereof. Failure to enforce any provision hereof shall not constitute a waiver of the right to enforce said provision thereafter.

### Annexation of Additional Properties

Additional properties may be annexed to and become subject to this Declaration by any of the methods set forth hereinbelow:

Section 1. With Approval of Association. Upon written approval of the Association pursuant to a vote of seventy-five percent (75) of the Unit Owners and the FHA and VA or the written consent of such owners and the FHA and VA, excluding the vote or written consent of Declarant, the Owner of any property who desires to add it to the scheme of this Declaration and to subject it to the jurisdiction of the Association may file of record a Supplementary Declaration as described in Section 3. hereof.

Section 2. Without Approval of Association. All or any part of the real property described in Exhibit "B" attached hereto may be annexed from time to time, to the Project and added to the scheme of this Declaration, and subject to the jurisdiction of the Association with the assent of the Association or its Members, provided and on condition that:

A. Any annexation pursuant to this Article shall be made prior to the third anniversary of the original issuance of the most recently issued Public Report for a phase in the Project.

B. A Supplementary Declaration, as described in Section 3. hereinbelow shall be recorded, covering the applicable portion of the real properties described in Exhibit "B".

C. The annexation and development shall be in accordance with a general plan of development submitted to and approved by the VA and FHA.

Section 3. Quality of Construction. Future improvements to the Project will be consistent with initial improvements in terms of quality of construction.

Section 4. Substantial Completion Prior to Annexation. All intended improvements in subsequent phases must be substantially completed prior to annexation to the Project.

Section 5. Effect of Annexation. Upon annexation of any additional properties to this Declaration:

A. The real property contained in the Supplementary Declaration shall be subject to the provisions of this Declaration and to the rights and powers of the Association pursuant to the terms of this Declaration, the Articles and the By-Laws and, thereafter, all of the Owners of Condominiums in the annexed real property shall automatically become Members of the Association.

B. Assessments shall commence for all Units in each phase of the Project commencing on the first day of the month following the conveyance of a subdivision interest in such phase pursuant to authority of a Public Report issued by the California Department of Real Estate and, thereafter, shall be due and payable in accordance with the provisions of Article VI hereof.

C. The Owners of Condominium Units in any annexed real property and in those properties which are then within the jurisdiction of the Association, shall be granted non-exclusive easements over the Common Area of all phases of the Project for purposes of ingress and egress, except for those portions lying within residential buildings containing Condominium Units.

The additions authorized under the foregoing Sections shall be made by filing or record a Supplementary Declaration of Covenants, Conditions and Restrictions or similar instrument, with respect to the additional properties which shall extend the scheme of this Declaration to such properties. Such Supplementary Declaration as contemplated above, may contain such additions and modifications of the covenants and restrictions contained herein as may be necessary to reflect the different character, if any, of the added properties and as are not inconsistent with the scheme of this Declaration. In no event, however, shall any such Supplementary Declaration revoke, modify, or add to the covenants established by this Declaration within the existing property, except as hereinabove provided.

Section 8. Miscellaneous. Notwithstanding anything contained in this Article XXVII to the contrary, unless approved by the California Department of Real Estate, no supplement may (i) cause a substantial increase in the Common Area or recreation area costs and expenses then being borne by Owners, which was not disclosed in the Final Subdivision Public Report for the phase of the Project in which an Owner purchased his Condominium, or (ii) otherwise materially adversely affect the rights of Owners, without the prior affirmative vote or written consent of at least sixty-six and two-thirds percent (66-2/3%) of each class of Members entitled to vote and their Eligible Mortgage Holders.

Section 9. Deannexation. Declarant may delete all or a portion of a Phase of the property from coverage of this Declaration and the jurisdiction of the Association, so long as Declarant is the owner of all of such Phase, and provided that (i) a Notice of Deletion is recorded in the same manner as the applicable Supplementary Declaration was recorded, (ii) Declarant has not exercised any Association vote with respect to any portion of such Phase, (iii) assessments have not yet commenced with respect to any portion of such Phase, (iv) close of escrow has not occurred for the sale of any Condominium in such Phase, and (v) the Association has not made any expenditures or incurred any obligations with respect to any portion of such Phase of the property.

## ARTICLE XXVIII

### Professional Management

The Board shall be required to engage a professional real property manager duly licensed as a real estate broker by the State of California (if so required to be licensed by the laws of the State of California) to manage the Project. Such manager shall be

experienced in the management of condominium projects. When professional management has been previously required by any Eligible Mortgage Holder or insuror or guarantor, whether such entity became an Eligible Mortgage Holder or insuror or guarantor at that time or later, any decision to establish self-management by the Association shall require the prior consent of Owners of Units to which at least sixty-seven percent (67%) of the votes in the Association are allocated.

## ARTICLE XXIX

### Maintenance of Public Parkways

For a period of one (1) year following the date that the Landscape Architect of the City of Simi has certified that the landscaping installed by Declarant in the Project conforms to the landscaping plans approved by the City of Simi, Declarant shall be required to maintain at its sole cost and expense, the public parkways on Kuehner and Katherine. After said one (1) year period shall have expired, the Association shall be obligated to maintain said parkways and to pay the expenses thereof.

## ARTICLE XXX

### Requirements of FHA

Section 1. Regulatory Agreement. Should Declarant desire that loans secured by mortgages encumbering Condominiums within the Project qualify for mortgage insurance by FHA, the Association and FHA shall enter into a Regulatory Agreement, which shall be attached hereto, and by this reference made a part hereof. To the extent the Regulatory Agreement is in effect according to its terms:

A. All Owners, tenants and occupants of Condominiums in the Project covenant and agree that the administration of the Project shall be in accordance with the terms and provisions of the Regulatory Agreement and that such terms and provisions shall be fully complied with.

B. To the extent any matters in this Declaration or in the Articles or By-Laws are in any way inconsistent with any matters in the Regulatory Agreement, then any such inconsistent matters in the Regulatory Agreement shall prevail.

C. Without limiting the foregoing, the right to lease Condominiums in the Project shall be subject to all terms and provisions of the Regulatory Agreement.

Section 2. Conflicts. In the event of any conflict between any of the provisions of this Article XXX and any other provisions of the Declaration, the provisions of this Article XXX shall control.

## ARTICLE XXXI

### Non-VA and/or Non-FHA Financing

The Declaration contemplates financing for condominiums in the Project by the Federal Housing Administration and/or the Veterans Administration. In the event that either of the Federal Housing Administration or the Veterans Administration shall not have purchased, guaranteed, insured, or subsidized any mortgage of a condominium in the Project, all references in this Declaration requiring notice to or the approval of such agency for any particular matter shall be disregarded and such notice or approval shall not be required."

39. The Index is hereby amended to reflect the amendments made herein.

40. Except as herein expressly amended, all of the terms and provisions of the original Declaration, as recorded in the Ventura County Recorder's Office on February 10, 1984, as Instrument No. 15196, shall remain in full force and effect.

IN WITNESS WHEREOF, Declarant has caused this Amendment No. 1 to the Declaration of Covenants, Conditions and Restrictions of Sandalwood Village to be executed this 11<sup>th</sup> day of

April, 1984.

NOTES AND DEFINITIONS:

1. THE REAL PROPERTY INCLUDED WITHIN THIS CONDOMINIUM PLAN IS ALL OF THE LAND IN LOT 1 OF TRACT NO. 3807 IN THE CITY OF SIMI VALLEY, STATE OF CALIFORNIA, AS PER MAP FILED IN BOOK 98, PAGES 47 AND 48 OF MAPS, IN THE OFFICE OF THE VENTURA COUNTY RECORDER AND ALL OF THE BUILDINGS, STRUCTURES AND OTHER IMPROVEMENTS TO BE BUILT ON, ABOVE AND BELOW THE GROUND LEVEL OF SAID LAND ("IMPROVEMENTS").
2. THIS CONDOMINIUM PROJECT CONSISTS OF 10 BUILDINGS WITH 7 UNITS IN EACH BUILDING FOR A TOTAL OF 70 UNITS. THE COMMON AREA IS ALL OF THE LAND AND REAL PROPERTY INCLUDED WITHIN THE BOUNDARY LINES OF SAID LOT 1, EXCEPT THOSE PORTIONS SHOWN AND DEFINED HEREIN AS CONDOMINIUM UNITS MORE PARTICULARLY DESCRIBED ON SHEETS 10 THROUGH 17 INCLUSIVE, HEREIN.
3. A UNIT OF THIS PROJECT IS IDENTIFIED BY THE NUMBER OF ITS BUILDING FOLLOWED BY A HYPHEN AND ITS NUMBER WITHIN THE BUILDING. EACH UNIT WITHIN A PARTICULAR BUILDING CONSISTS OF ALL THOSE ELEMENTS BEARING AN IDENTICAL NUMBER DESIGNATION. THE NUMBER DESIGNATION OF AN ELEMENT COINCIDES WITH THE NUMBER OF THAT UNIT OF WHICH IT IS A PART. WHENEVER REFERENCE IS MADE TO ANY OF THESE UNITS, IT SHALL BE CONSTRUED THAT REFERENCE IS MADE TO THE UNIT AS A WHOLE AND TO EACH AND ALL OF ITS COMPONENT ELEMENTS.
4. THE FOLLOWING PHYSICAL FEATURES WITHIN THE LAND OR IMPROVEMENTS ARE NOT A PART OF A UNIT, WHETHER LOCATED WITHIN THE PHYSICAL AIRSPACE DIMENSIONS OF THE UNIT AS THOSE DIMENSIONS ARE SHOWN HEREIN OR NOT: LAND, DRIVEWAYS, EXTERIOR WALLS, ROOF DECK STRUCTURES AND RECREATIONAL FACILITIES; RAILINGS AND ENCLOSURES; COMMON STAIRWAYS AND HALLWAYS; BEARING WALLS AND THEIR FINISHES, COLUMNS, GIRDERS, SUBFLOORS, UNFINISHED FLOORS, ROOFS AND FOUNDATIONS; CENTRAL HEATING AND CENTRAL AIR-CONDITIONING EQUIPMENT; RESERVOIRS, TANKS, PUMPS, MOTORS, DUCTS, FLUES AND CHUTES, CONDUITS, PIPES, PLUMBING, WIRES AND OTHER UTILITY INSTALLATIONS, WHEREVER LOCATED, TOGETHER WITH THE SPACE SURROUNDING THE SAME, WHETHER OR NOT LOCATED WITHIN WALLS OR FURRED CEILINGS, SERVICING MORE THAN ONE UNIT AND PROVIDING POWER, LIGHT, TELEPHONE, GAS, WATER, SEWAGE, DRAINAGE, HEAT, AIR

CONDITIONING; SPRINKLERS, SPRINKLER PIPES AND SPRINKLER HEADS; AND CENTRAL TELEVISION ANTENNA. (EXCEPT THE OUTLETS, HEATING AND AIR CONDITIONING EQUIPMENT THEREOF WHEN LOCATED WITHIN OR ABOVE AND SERVICING ONLY A PARTICULAR UNIT).

5. THIS AIRSPACE PLAN INTENTIONALLY OMITS DETAILED INFORMATION OF FIREPLACES, BEARING WALLS AND INTERNAL PARTITIONING WITHIN UNITS. LIKEWISE, SUCH DETAILS AS PROTRUSIONS OF VENTS, BEAMS, COLUMNS, WINDOW CASINGS, CHIMNEY STRUCTURES, AND OTHER SUCH FEATURES ARE NOT DEPICTED ON THIS PLAN.
6. EACH OF THE AIRSPACES SHOWN ON THIS PLAN BEARING THE LETTER DESIGNATIONS "A" (FIRST LEVEL OF A UNIT) AND "B" (SECOND LEVEL OF A UNIT), PRECEDED BY A UNIT NUMBER, ARE ELEMENTS OF A UNIT DEPICTING DWELLING SPACES; THE BOUNDARIES THEREOF BEING THE INTERIOR SURFACES OF PERIMETER WALLS, FLOORS, CEILINGS, WINDOWS AND DOORS. EACH SUCH SPACE INCLUDES THE SURFACES SO DESCRIBED, THE RESPECTIVE PORTIONS OF THE BUILDING AND IMPROVEMENTS LYING WITHIN SAID BOUNDARIES (EXCEPT AS STATED IN NOTE 4, ABOVE) AND THE AIRSPACE SO ENCOMPASSED.
7. EACH OF THE AIRSPACES SHOWN ON THIS PLAN BEARING THE LETTER DESIGNATION "C" PRECEDED BY A UNIT NUMBER, ARE ELEMENTS OF A UNIT DEPICTING BALCONIES; THE BOUNDARIES THEREOF BEING THE EXTERIOR SURFACES OF WALLS, WINDOWS AND DOORS OF ADJOINING BUILDINGS WHERE THEY EXIST, OTHERWISE THE LATERAL AND HORIZONTAL BOUNDARIES ARE VERTICAL AND HORIZONTAL PLANES AT LIMITS OF THE HORIZONTAL DIMENSIONS AND ELEVATIONS SHOWN HEREIN. EACH SUCH SPACE INCLUDES ONLY THE AIRSPACE ENCOMPASSED BY SAID BOUNDARIES.
8. EACH OF THE AIRSPACES SHOWN ON THIS PLAN BEARING THE LETTER DESIGNATION "F" PRECEDED BY A UNIT NUMBER, ARE ELEMENTS OF A UNIT DEPICTING PATIOS; THE BOUNDARIES THEREOF BEING THE EXTERIOR SURFACES OF WALLS, WINDOWS AND DOORS OF ADJOINING BUILDINGS WHERE THEY EXIST, OTHERWISE THE LATERAL AND HORIZONTAL BOUNDARIES ARE VERTICAL AND HORIZONTAL PLANES AT LIMITS OF THE HORIZONTAL DIMENSIONS AND ELEVATIONS SHOWN HEREIN. EACH SUCH SPACE INCLUDES ONLY THE AIRSPACE ENCOMPASSED BY SAID BOUNDARIES.
9. EACH OF THE AIRSPACES SHOWN ON THIS PLAN BEARING THE LETTER DESIGNATION "G", PRECEDED BY A UNIT NUMBER, ARE ELEMENTS OF A UNIT DEPICTING GARAGES; THE BOUNDARIES THEREOF BEING THE INTERIOR SURFACES OF PERIMETER WALLS, FLOORS, CEILINGS, WINDOWS AND DOORS. EACH SUCH SPACE INCLUDES THE SURFACES SO DESCRIBED, THE RESPECTIVE PORTIONS OF THE BUILDING AND IMPROVEMENTS LYING WITHIN SAID BOUNDARIES (EXCEPT AS STATED IN NOTE 4, ABOVE) AND THE AIRSPACE SO ENCOMPASSED.
10. THE VERTICAL LIMITS OF AIRSPACE OF THE ELEMENTS SHOWN HEREIN ARE HORIZONTAL AND INCLINED PLANES DESCRIBED BY THE ELEVATIONS SHOWN HEREIN AS L.E. (LOWER ELEVATION) AND U.E. (UPPER ELEVATION). AN INCLINED CEILING IS INDICATED BY AN ARROW POINTING TO THE DOWNWARD DIRECTION OF THE SLOPE. THE CHANGE IN ELEVATION IS INDICATED WITH U.E. AND L.E. AT EACH END OF THE SLOPE.
11. INCLUDED AS A PART OF A UNIT ARE ALSO THOSE SPACES OCCUPIED BY STAIRWAYS PROVIDING ACCESS FROM A LOWER ELEMENT TO AN UPPER ELEMENT. NOT INCLUDED ARE THE REMAINING SPACES BETWEEN THE "UPPER ELEVATION" OF THE LOWER ELEMENT (CEILING) AND THE "LOWER ELEVATION" OF THE UPPER ELEMENT (FLOOR).

13. WALL THICKNESSES BETWEEN COMPONENT ELEMENTS, OF A UNIT ARE 0.5 FOOT, UNLESS OTHERWISE INDICATED.
14. ALL TIES TO AIRSPACES SHOWN HEREIN ARE AT RIGHT ANGLES FROM THE PROPERTY LINES OR FROM OTHER AIRSPACE BOUNDARY LINES TO WHICH THEY JOIN, UNLESS OTHERWISE INDICATED. AIRSPACE BOUNDARY LINES INTERSECT AT RIGHT ANGLES EXCEPT WHERE NOTED.
15. THE AIRSPACE OF THE INDIVIDUAL UNITS, ENCOMPASSED BY BOUNDARIES DESCRIBED HERERIN, MAY INCLUDE FURRED CEILINGS WHICH PROJECT DOWNWARD APPROXIMATELY 1.0 FOOT FROM THE UPPER VERTICAL LIMITS. LOCATION OF THESE DOWNWARD PROJECTIONS ARE NOT SHOWN ON THIS PLAN.
16. THIS PLAN AND THE DIMENSIONS SHOWN HEREIN ARE INTENDED TO CONFORM TO CALIFORNIA CIVIL CODE SECTION 1351 WHICH REQUIRES AIRSPACE PLANS OF THE EXISTING BUILDINGS OR THE BUILDINGS TO BE CONSTRUCTED THEREON IN SUFFICIENT DETAIL TO IDENTIFY EACH UNIT, ITS RELATIVE LOCATION AND APPROXIMATE DIMENSIONS. THE DIMENSIONS SHOWN HEREIN ARE NOT INTENDED TO BE SUFFICIENTLY ACCURATE TO USE FOR COMPUTATION OF FLOOR AREA OR AIRSPACE VOLUME IN ANY OR IN ALL OF THE UNITS.
17. IN THE EVENT ANY PORTION OF THE COMMON AREA ENCROACHES UPON ANY UNIT OR IN THE EVENT ANY UNIT ENCROACHES UPON ANY PORTION OF THE COMMON AREA AS SHOWN ON THIS CONDOMINIUM PLAN, WHETHER AS A RESULT OF CONSTRUCTION, RECONSTRUCTION, REPAIR, SHIFTING, SETTLEMENT OR MOVEMENT OF ANY PORTION OF THE PROJECT, A VALID EASEMENT FOR SUCH ENCROACHMENT AND FOR THE MAINTENANCE OF SAME SHALL EXIST SO LONG AS SAID ENCROACHMENT EXISTS.
18. NOTWITHSTANDING THE METES AND BOUNDS DESCRIPTIONS EXPRESSED IN THIS CONDOMINIUM PLAN, IF A UNIT OR UNITS (WHETHER PRESENTLY EXISTING OR TO BE CONSTRUCTED IN THE FUTURE) ARE RECONSTRUCTED AFTER AN EVENT OF DESTRUCTION, THE PHYSICAL BOUNDARIES OF SUCH UNIT OR UNITS SHALL BE CONCLUSIVELY PRESUMED TO BE THE BOUNDARIES OF SUCH UNITS, REGARDLESS OF SETTLING OR LATERAL MOVEMENTS OF THE BUILDING CONTAINING THE UNITS AND REGARDLESS OF MINOR VARIANCE BETWEEN BOUNDARIES SHOWN ON THIS CONDOMINIUM PLAN AND THOSE OF SUCH BUILDING.
